Cell phones may be used by students during designated times and in designated places which include the following:

1. Prior to the 8:25am go to class bell while seated in the cafeteria or gym
2. During lunch while seated in the cafeteria.

3rd offense – device taken – 5 days – parent contact from admin.

4th offense and every offense thereafter– device taken – 10 days – parent contact from admin.

***Students may pick up phones from the front office after the designated time and only after school.**

Teacher guidelines for taking a phone/technology:

1. Label it with student name, teacher name, and date.
2. Give to Mr. Moses (primary), L. Gibbons (secondary), Dr. McAfee, Mrs. Lambert – Do this ASAP!
3. Always keep the device in a locked/secure location if you can't turn it in right away.
4. **NEVER** keep a phone in your possession after your school day ends.

If a student refuses to give a teacher a device the teacher should notify Mr. Moses or other admin via text or in person the name of the student and brief details. Do not create an issue or scene with the student over the taking of the phone. If a teacher is uncomfortable taking a phone or thinks taking it could lead to further issues... go straight to notify admin procedures. Students who refuse to give devices to the admin. will receive 3 days ISS every time.
