And now...
a brief introduction to the
RULES of the GAME...

- Jeopardy -

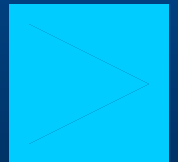

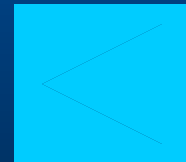

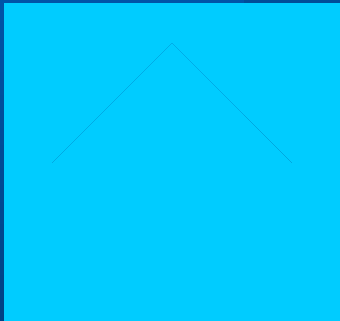

Each group must:

- a) SIT TOGETHER, and
- b) Designate a **SPEAKER** who will respond to the prompts (You may **NOT** change speakers).

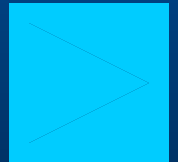

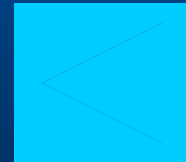

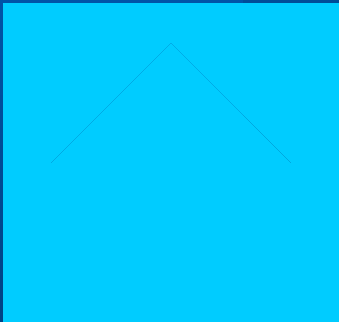

- Jeopardy -

The game consists of
FIVE categories,
each containing
FIVE questions

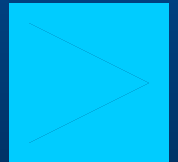

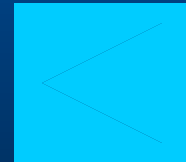

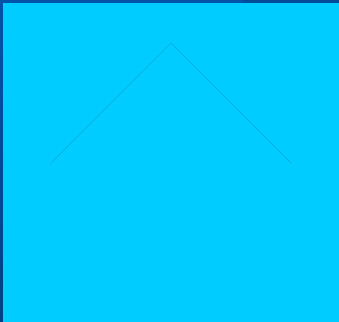

- Jeopardy -

Questions are randomly
arranged, NOT by degree of
difficulty

- Jeopardy -

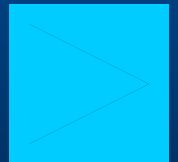

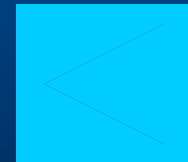

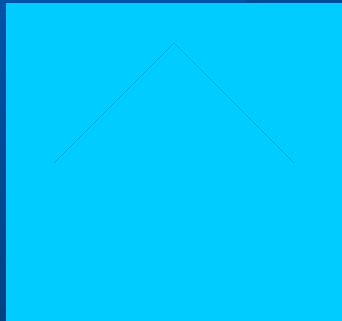

Each speaker may select only
ONE question per round

- Jeopardy -

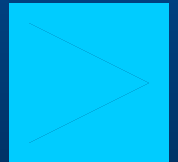

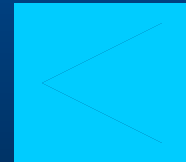

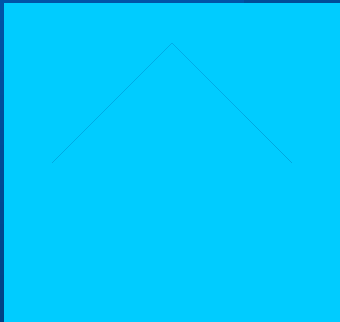

Once the selected question is

posted on the screen,
the SPEAKER of the team has
10 seconds to respond (for
graphing questions the team
gets a full minute).

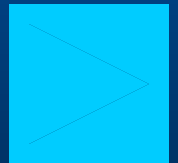

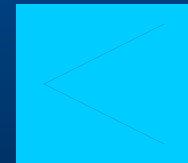

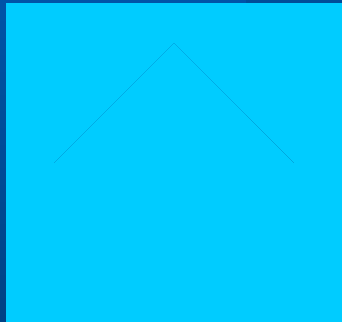

- Jeopardy -

The speaker may consult with teammates before responding

- Jeopardy -

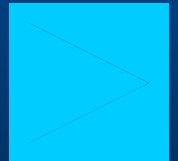

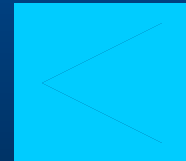

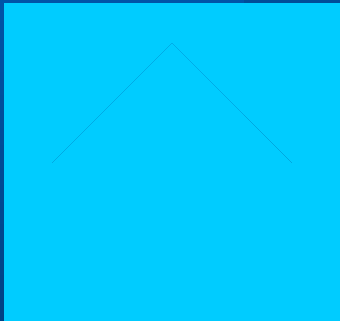

During the game, whispering is OK, but LOUD talking and/or disruptions DURING THE GAME may result in point loss for the entire team.

- Jeopardy -

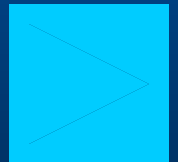

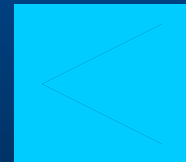

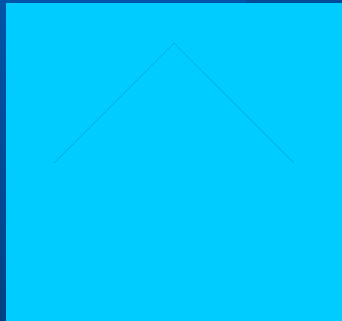

The response should be phrased in
the **FORM OF A QUESTION.**

(Words, phrases, and statements -
even if correct - may be
disqualified)

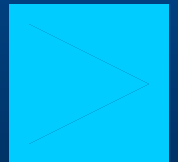

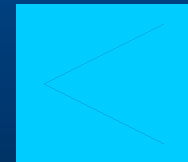

- Jeopardy -

A CORRECT ANSWER earns the team the amount of points indicated on the jeopardy board.

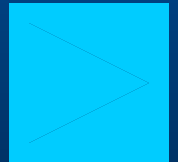

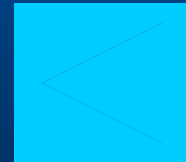

- Jeopardy -

If the speaker does not respond correctly within 10 seconds, the question passes on to the next team speaker, who has 5 seconds to respond.

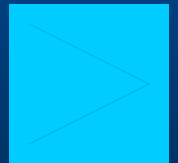

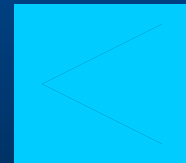

- Jeopardy -

The number of points for the correct answer at this stage are the same as for the previous team.

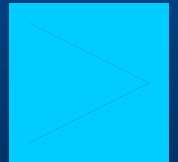

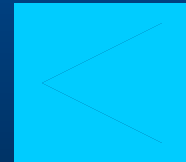

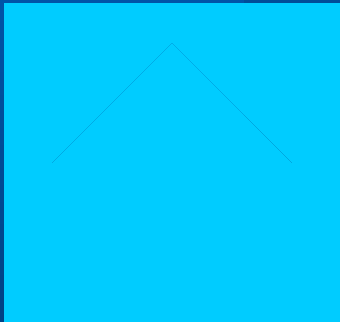

- Jeopardy -

Questions that are not answered correctly by the selecting team are offered to the other teams in turn until a correct answer is given or all teams have guessed incorrectly.

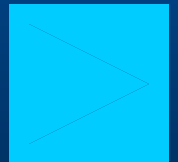

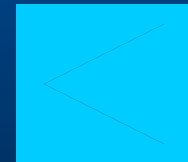

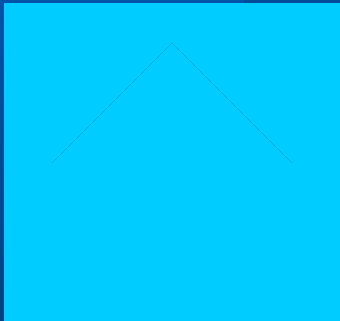

- Jeopardy -

For the Daily Double, the speaker designates the number of points - up to the max. points earned by the team. If correct, the team earns the designated points; if incorrect, they lose the designated points.

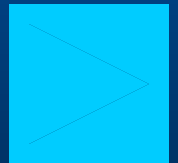

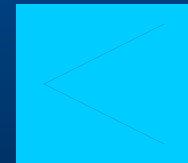

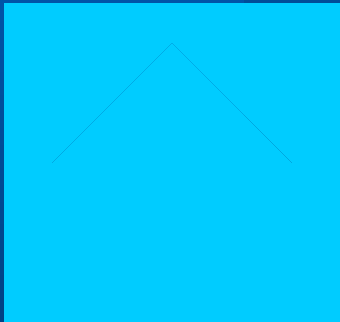

- Jeopardy -

Again, whispering is OK, but remember, **LOUD TALKING** and/or **DISRUPTIONS DURING THE GAME** may result in point loss for the entire team.

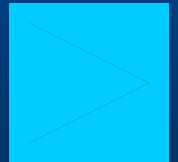

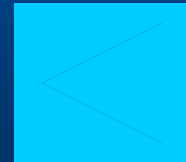

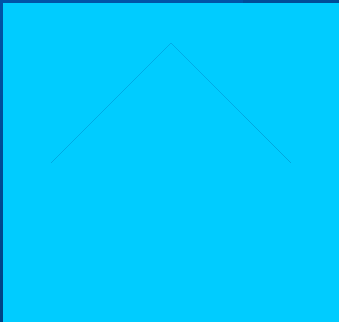

- Jeopardy -

The judge's decisions are FINAL
and whining, pouting, and/or
complaints will NOT BE
ENTERTAINED...
