TAKING THE TESTS!

TESTING-create ACT/SAT accounts

- Your student should begin preparing for the SAT/ACT now.
 - PSAT results will be available in their **College Board** account (www.collegeboard.org).
- Register for 2021-22 test dates!
 - Your SENIOR will take a **FREE SAT in school on October 13th**, but should plan to take the ACT and/or SAT multiple times before applying to college.
 - Test fees run about \$45/test, so strongly suggest creating a study schedule and/or attending test prep sessions.
- What is superscoring?
 - Scholarships like Bright Futures and most colleges/universities will “superscore” your students ACT/SAT attempts. This means that they take the highest subsection scores to combine them for the highest possible overall score.
- Aim to be complete with testing no later than November of senior year.
 - Many colleges will have priority deadlines in November and December, and you want your student to have their scores ready to go by the time they apply!

HOW DOES MY STUDENT APPLY TO COLLEGE?

LET'S DISCUSS THE NEXT STEPS!

FIRST, RESEARCH INSTITUTIONS! WHAT SCHOOL IS THE BEST FIT?

- Students should identify at least 4-5 colleges that they are interested in attending.
 - At least TWO-THREE of these schools students should fall within the eligibility criteria
 - ONE school being more of a reach
 - ONE school being a safe school
- Visit the schools!
 - Visit college campuses on weekdays when school is in session so that your student can get a feel for the campus and determine if they can really “see” themselves there.
 - If physical visits are not possible, virtual tours are available online. Visit websites.
- For public schools in Florida, use the SUS matrix to determine where your student falls within the range of students recently accepted, looking at test scores and GPA.
- Consider having your student complete career interest surveys, MyCareerShines and others mentioned previously.
- Research Schools on CollegeBoard Big Future

State University System of Florida:

DETERMINE COST AND WHAT YOU AND YOUR STUDENT CAN AFFORD

- Be realistic and honest in conversations with your student about what you can contribute financially to their education.
- Research the cost-per-year at various schools. Compare in-state vs. out-of-state tuition and the tuition of public vs. private colleges and universities, and scholarships.
- Consider cost-of-living and travel expenses if applicable.

WHAT DO COLLEGES CONSIDER IN THE APPLICATION PROCESS

- High School Transcript (request on WRHS website)
- GPA, rigor, high school requirements, transcript trends
- ACT/SAT scores
- 2 Year College: Placement Test Scores
- 4 Year College: SAT/ACT scores typically through March of Senior Year
- Letters of Recommendation
- Essay
- Common APP: COVID 19 question
- Anything that stands out---One Rough Semester? Can be addressed.
- Resume
- Application Fee
- Honors, Extracurriculars, Community Service
- **WRHS Code: 102067**

APPLICATION WINDOWS

- **Early Decision**: a binding application to one college, non-refundable deposit, deadlines as early as October 15th/November 1st
- **Early Action**: not binding, hear back from colleges sooner, must decide by May 1st
- **Priority Decision**: not binding, comes before regular deadline, may give you priority decision on things like housing
- **Regular Decision**: Deadline usually between November-May
- **Rolling Admissions**: Students accepted all year long

START APPLYING AS EARLY AS JULY!

- Most colleges and universities will release their Fall applications in late July for students to begin applying.
- Applications can be found on school websites (always look for .edu) as well as through databases like CommonApp (www.commonapp.org) and The Coalition (www.coalitionforcollegeaccess.org).
 - The benefit to using CommonApp and/or The Coalition is that your student can apply to multiple schools using one application, and can request their counselor upload transcripts, recommendation letters, and other documents.
- All students apply as **FRESHMAN, FIRST TIME IN COLLEGE** regardless of participation in dual enrollment, early college, or early admission.

COMPLETE APPLICATIONS NO LATER THAN NOVEMBER 1ST

- Although many schools will have a rolling admissions deadline, the “priority” deadline is typically December 1st.
 - **Note that some schools will have an earlier deadline of November 1st (University of Florida, Florida State University).**
- Before your student submits their application, ensure all parts are complete.
- Waiving My Rights=no access to recommendations submitted
- Application fee waivers if qualify for SAT/ACT fee waivers (FRPM status)
