About Mr. Kennedy

My name is Walter Kennedy, and this is my 4th year as a teacher and my 2nd here at Pacetti Bay. I was born and raised in St. Augustine, Florida and attended St. Augustine High School. I went on to earn a degree from The University of Florida majoring in History with a minor in geography. I have always had a passion for Social Studies and enjoy sharing this passion with my students. I enjoy surfing, fishing, college football, and outdoor activities.

Course Overview

In Civics we study the roles and responsibilities of government, how government impacts people and society, how citizens participate in their government, the structure of the political parties, and the workings of federal, state, and local governments.

In Civics we have an EOC scheduled in May which counts for 30% of the final course grade
