

Kennedy Elementary School

Ryan Butcher – Principal

March 18, 2022

Dear Parents and Families of Kennedy Elementary Students,

This Spring, we will begin transitioning from our Measures of Academic Progress (MAP) and Georgia Milestones Assessment System End-of-Grade (EOG) tests into one combined assessment system – the GMAP Through Year Assessment. You should have received contact from the Barrow County School System on Tuesday March 15th with similar information.

This new assessment schedule will thankfully result in fewer annual assessments for your child starting in 2023-2024. The GMAP Through Year Assessment, like MAP Growth assessments, will show us how your child is progressing from Fall, Winter, and through Spring each year. As we transition to this new assessment, our Spring testing this year will look a little different for some of our students. Please see below for an updated schedule for each grade-level, and please reach out to your child’s teacher(s) for a more detailed schedule for their class.

No changes:

- Kindergarten – MAP Growth Reading; MAP Growth Math: April 12- April 29th
- 1st Grade – MAP Growth Reading; MAP Growth Math: April 26th – April 27th
- 2nd Grade – MAP Growth Reading; MAP Growth Math: April 13th & 14th or 19th & 20th (see your teacher)

Modified Assessment Schedule:

- 3rd Grade – GMAP ELA: April 26th; GMAP Math: April 27th
- 3rd Grade – EOG ELA: May 2nd – 3rd; EOG Math: May 4th – 5th
- 4th Grade – GMAP ELA: April 21st; GMAP Math: April 22nd
- 4th Grade – EOG ELA: May 2nd – 3rd; EOG Math May 4th - 5th
- 5th Grade – GMAP ELA: April 19th; GMAP Math: April 20th
- 5th Grade – MAP Growth Science: April 28th – April 29th
- 5th Grade – EOG ELA: May 2nd – 3rd; EOG Math: May 4th – 5th; EOG Science: May 6th

As always, if you have any questions, please do not hesitate to contact me, Trey Neupert, at 770-867-3182 or by email at floyd.neupert@barrow.k12.ga.us.

Sincerely,

Trey Neupert
Assistant Principal
