

Before you come to kindergarten, do as many of these activities as possible. If you really like some of them, do them over and over again! Ask an adult to cross off the activity after you have done it. REMEMBER: When you are doing a reading activity, you can read the pictures, retell a story that has been already read to you, or read the words.

Find a sandbox or talk your formly into heading to the beach. Use your pointer fright to the beach. Use your of the alphabet (upper case and lower case) in the sand. and rectangles to your mom or dad while you are taking a walk, grocery shopping, or simply out and about. family members and lat for your about and about.
