

## Second Grade Summer Activities

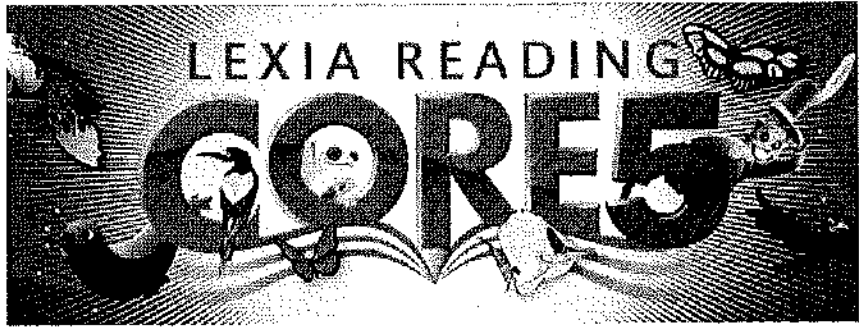

Welcome to second grade! We are so excited to meet you and have you in our classes. As you prepare for second grade, here are some things to help get you started.

- **Lexia:** Sign into myPascoConnect using your lunch number and tricky password. If you don't have this information, please contact the school. Lexia can be used to practice your reading and grammar skills. You can practice this for up to 60 minutes a week and track how many lessons you've passed by coloring in the squares on your Lexia tracking sheet.
- **Zearn:** Sign into mypascoconnet to access Zearn. This is a great way to practice your math skills. You can practice for up to 60 minutes a week. There is a tracking sheet attached, so you can track how many lessons you have achieved.
- **Summer Journal:** Create a summer journal, where you can write all about the fun things you do over the summer. You can do this daily or weekly, feel free to include pictures or drawings. We'd love to see them in August!
- **Math Facts:** It is important to know addition and subtraction up to 20. You can create flash cards, find videos to watch and learn with an adult, or write them down and practice.
- **Sight Words:** Practice the Dolch Word List attached. Feel free to make some more flash cards! You could even make a scavenger hunt out of them and find them in the books you read!
- **Explore the United States Map and Florida Map** that we have attached. If you travel this summer, mark it on the map.

Sincerely,

Second Grade Teachers
