"Spring has sprung in Lahaina and we have started an end-of-year event. Last week, the Lahaina Schools Student Showcase provided an opportunity for the community to gather around young

leaders and hear their visions for the future. I was inspired as my students presented their TED-Ed Student Talks about the Lahaina Renaissance and high school students spoke truth to power. This truly represented IMUA and PONO. ❤️" - Ms. Penn

Our Summer Learning Program will focus on Math & Reading Skills. Please have your child pickup and return their signed form to the office if they will be attending.
