The order will also have to include the instructor’s name and email address.</p> <p>To place an order, go to: http://www.workforcereadysystem.org/</p> <ul style="list-style-type: none"> ➤ Click on “Purchase Assessments” in the box on the right side of screen titled “The Way Ahead” ➤ Click on the button “Order Student Assessments” under the section titled “Assessments for Student Classroom Use” ➤ Choose your state & school in the drop-down menu (If your school does not appear in the school drop-down menu, click “Add My School” button and complete the address information ➤ Follow the remaining prompts to place your school’s order ➤ You will receive instructions with your sign-on information within 72 business hours. You may sign up for multiple assessments in one order.

Assessment Information Sheet

<p>Proctoring Guidelines:</p>	<ul style="list-style-type: none"> • A proctor is required to administer assessments to students. Instructors may not proctor their own classroom. A proctor can be a professional within the school who is not an instructor in the area of study of the assessment. • A proctor may be from a different school, however, it is each school's responsibility to communicate the agreement with the proctor to administer the assessments. • A proctor is a volunteer position. • Your school is responsible for selecting a proctor. • Your proctor's name, email address & phone number are required when ordering assessments to be administered to students. Please have the information available before proceeding with placing your order. <p>For a proctor's checklist, go to: http://www.workforcereadysystem.org/media/support/proctor_checklist.pdf</p> <p>For an instructor's checklist, go to: http://www.workforcereadysystem.org/media/support/instructor_checklist.pdf</p> <p>For testing policies, go to: http://www.workforcereadysystem.org/media/support/testing_policies_for_skillsusa.pdf</p>
<p>Testing Format:</p>	<p>On-line</p>
<p>Required Computer Software Specifications:</p>	<p>The following are the minimum required system specifications to run Skill Connect Assessments on an end user's computer:</p> <ul style="list-style-type: none"> • Operating Systems: PC: Windows XP or Vista Macintosh: Mac OS X (Tiger or Leopard) • Broadband internet access (DSL/Cable/T1) • 1 GHz processor • 512 MB RAM • Sound card (or onboard sound) • Video card (or onboard video) capable of a minimum of 800x600 resolution with 24-bit color (For optimum display, testing agency recommends a Video card capable of 1024x768 resolution with 32 bit color, and that the system be configured to these settings.) <p>For technical guidance, go to: http://www.workforcereadysystem.org/media/support/skill_connect_a</p>
