Teaching Examples
<p>Example: When Sandy washes her hands, the water splashes the wall. She cleans it up before going back to class.</p> <p>Non Example: Sam drops several paper towels on the floor when pulling one out to dry his hands. He walks off and leaves them.</p> <p>Example: Tom notices a puddle of water on the sink. He tells his teacher so no one will slip.</p>
Kid Activity
<ol style="list-style-type: none">1. Make a chart of situations that need cleaning up in the bathroom.2. Discuss situations in the bathroom that may need to be reported.3. Discuss the custodian's job. Examine how leaving or making a mess on purpose impacts his/her job.
After the Lesson (During the Day)
<ol style="list-style-type: none">1. Provide opportunity and time for students to clean up after themselves.2. Discuss why things have a place (i.e. trash in trash can, not in toilet).
