

Lexile Information

www.gadoe.org/lexile.aspx

A Lexile measure represents both a child's reading ability and the difficulty of a text, like a book or magazine.

Lexile measures provide you with valuable information about your child's reading ability and helps to make reading practice more meaningful.

Lexile Measure is interpreted as the level of book that a student can read with 75% comprehension, so when your child reads a text within his or her Lexile range, he or she is likely to comprehend enough of the text to make sense of it, while still being sufficiently challenged to maintain interest in learning.

Parents Can Use Lexiles

- Ensure that your child reads every day.
- Parents should read to set a good example. Reading newspapers and magazines will show children that reading is a wonderful pastime as well as a window to the world of learning.
- Ask school or library for book lists within Lexile range.
- Student's interests should play a part in book selection.
- Visit public libraries often.
- Participate in summer reading programs.

Parents Can Use Lexiles

- When a reading assignment proves to be too difficult, provide adult-directed assistance:
 - Review words and definitions from glossary or dictionary.
 - Review questions at end of chapter before child reads text.
 - Pair-share read – Parent and student alternate reading the text. Stop, discuss, and ask questions along the way to see that student understands.
 - Return to end of chapter questions and glossary to make certain your child understands the material.
- Celebrate your child's reading accomplishments.
 - Set goals –
 - number of books read
 - variety of books
 - stretch to books at higher Lexile
