Title funding for the reading program was not approved by the board. We will pursue funding in the future.

Some Title funding will be used to fund Saturday School to allow students to catch up if they fall behind.

We have exceeded 700 remote learning students. Students' schedules were changed as of October 2, 2020 to better accommodate the number of students face to face and remote learners.

Offering Saturday School for students who fall behind was added to the SIP.
Edgenuity and Reading program were added to the SIP action plan.

The new bell schedule does not include HawgTime so teachers are incorporating Hawg Days for students to make up missing work.

We have 1000-1100 students on campus each day. Hand sanitizer stations and masks available for students, staff and visitors. We encourage students to social distance as much as possible.
