

What is Link Crew?

Link Crew is a freshman transition program that helps incoming 9th graders make the adjustment to the high school environment. Link Leaders, 11th and 12th graders, help make this transition possible. Link Crew organizes Freshman Orientation, a freshman-only day before the first day of school that provides the opportunity to meet other 9th grade students. It empowers students to make wise choices and helps prepare freshman for a successful first day of school. Orientation includes a tour of the campus. Link Crew also organizes academic and social events throughout the school year.

Link Crew believes...

in education.

the voice of one student can have a profound impact on the life of another

what happens at your school can change lives.

in students and what they have to offer.

in the hope and opportunity that schools provide.

in the vision of what schools can be.

you get back what you give.

Link Crew Objectives

to empower juniors and seniors as role models for freshman.

to increase academic success through support for peers.

to develop Leadership skills in students on the campus.

to allow successful older students to pass on positive traditions to younger students

to expose students to a variety of individuals in positive situations.

to teach students that by working together they can be successful and enjoy one

another. to help create a supportive and positive atmosphere on the campus and in the community.
