

**LIST OF PUBLISHED MEASURE B ONE-PAGERS**  
**(also known as ASSESSMENT REPORTS)**

**Notes:-**

1. If a one-pager has not been published, it may be due to lack of sufficient data submitted, new assessments etc.
2. Since Science assessments are new this year, no Measure B one-pagers have been created.
3. Current year denotes data in the one-pagers is from SY 2016-17 and SY 2017-18. There are also some instances where the assessment was new last year and therefore only one year of data was available this year. In such cases, current year denotes data from SY 2017-18.
4. Last year denotes data in the one-pagers is from SY 2015-16 and SY 2016-17.
