READ and enjoy the following novel before
the first day of class:

Title: Wildlife
Author: Richard Ford
ISBN-13: 978-0-8021-4459-1

Allow yourselves ample time to complete the reading.

Keep the following in mind as you read:

-Given your reading of the novel, look to explore how a fire can be both a form of destruction and creation. Annotate examples of this duality in the novel and think about how you might see this reflected in your own life's experience.

VIEW the film *Wildlife* (Dano 2018). It is widely available on numerous streaming services, including SWANK
