OUR COMMUNITY

The city of Lake Mary, Florida, is a burgeoning suburb that lies just north of Orlando in Seminole County and has repeatedly earned the title of one of the top five Best Places to Live by Money magazine. The city and the surrounding areas of Longwood, Sanford, and Winter Springs are socio-economically and racially diverse and many of our students will be first-generation college students. Community residents are fiercely committed to their children's educations.

OUR SCHOOL

Lake Mary High School was established in 1981 as a public comprehensive high school. We offer traditional standard, honors, pre-AP, gifted, and 29 Advanced Placement courses along as well as two Programs of Emphasis: the Advanced Manufacturing & Innovation Academy and Forensic Science and Legal Studies. We also offer many industry certification exams. About 55% of our seniors go straight to four-year colleges each year. In the past five years, acceptances included Vanderbilt University, Duke University, MIT, Trinity College, Princeton University, Johns Hopkins, SCAD, Stanford University, and Florida state public and private colleges and universities.

Total enrollment for the 2020-2021 school year was 2,797 students across grades 9-12, including 674 members of the Class of 2020. We had a graduation rate of 98% in 2020. Our 2020-2021 student body was approximately 54% white, 26% Hispanic/Latinx, 13% Black, 4% Asian, 3% multiracial, 0.4% Native Hawaiian, and 0.2% American Indian. Approximately 42% of the student body qualifies for free or reduced lunch. Our seven counselors each advise about 420 students every year.
