Having trouble with your account? Try this: Most students will be signed in automatically. If you are not, make sure you click "Sign in with SSO." If will take you to a place to type the Company Domain, there type "sjcsd-us" in the blank.

If it takes you to a place for your username, that is when you will use s******@stjohns.k12.fl.us and your password.

Still having trouble? Email Ms. Badger at kristen.badger@stjohns.k12.fl.us
