Start Your Open House Visit

Welcome – we are so excited to have you join us for Open House.

As a reminder, **face masks are optional but strongly suggested**. We also encourage our guests to avoid any large, close gatherings and to use the hand sanitizing stations, if needed.

A few steps to help you begin:

- Homeroom teacher names and locations are posted by grade level in alphabetical order as you enter the building
- if a student's name is not posted, please come to the common's area for assistance
- Proceed to the student's homeroom location as your first stop

First Stop: Homeroom

Even if you pull up the schedule online, please be sure to visit the homeroom.

Homeroom teachers will have information posted about being sure to update the family's Infinite Campus portal if it has not already been updated prior to Open House.

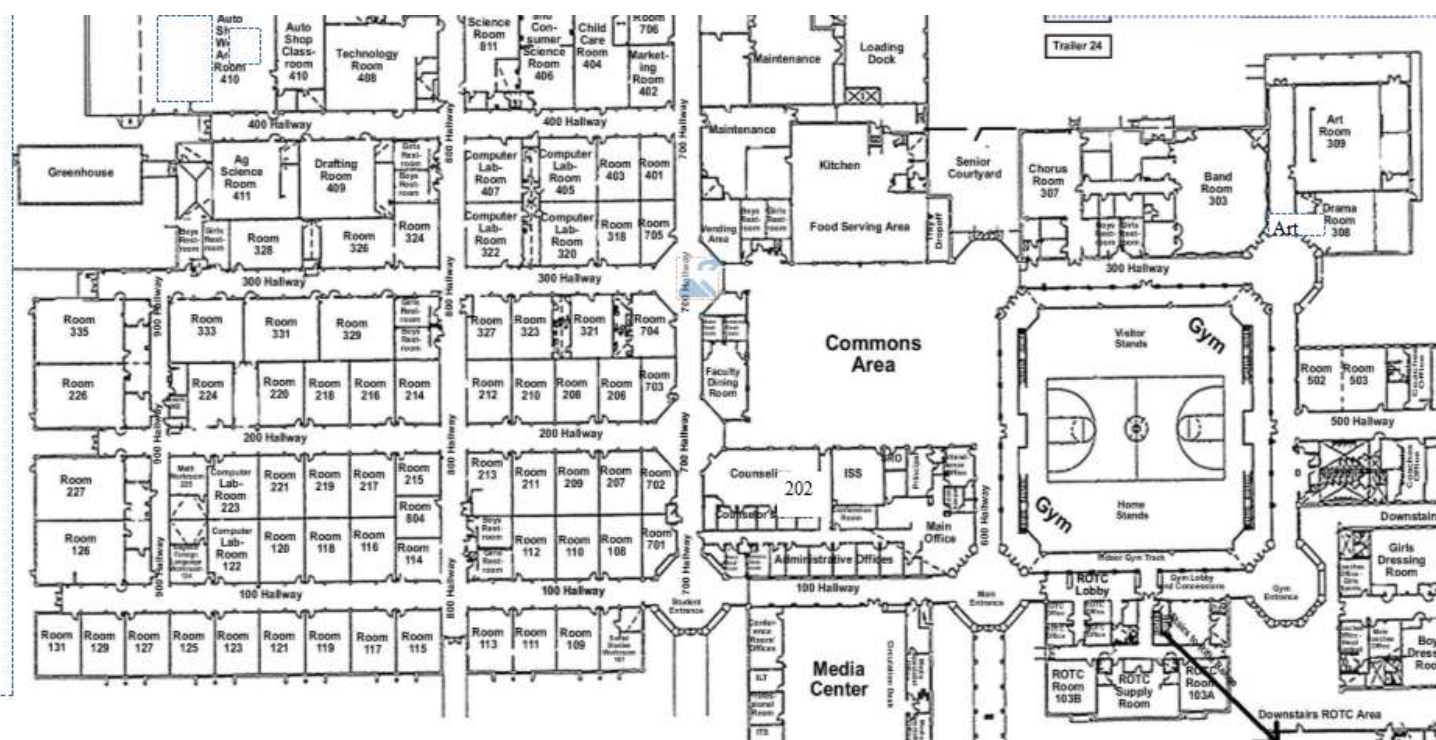

A paper copy of the student's class schedule will be available.

Next Stop: Meet the Teachers

Please visit ALL classes so that you have a good sense of how your school day will go and where all of your classes are located in the building. As you visit each class, teachers will have important information to offer and confirm contact information.

The teacher will ask if the contact information is IC is correct, if not the teacher will ask for the best possible contact information so that she/he can remain in contact with the family.

Luella MAP

Along the Way: Extracurricular

Clubs, organizations, and athletic teams have tables set up around the building to provide information, answer questions, and collect names of interested students.

See a list of specific locations to the right.

These organizations are an **integral part of what it means to be a Luella Lion** and we are very proud to have a large host of activities that cater to the different interests of our student body. We hope you will take this opportunity to explore the different facets of our school.

Last Stop: The Commons

Transportation:

Luella High School bus drivers will be at a table in the Commons to provide information about and answer any questions about bus transportation.

Remember you can access that information daily (in real-time) through the Here Comes the Bus app.

Nutrition:

Members of the Luella High School nutrition staff will be set up at the opening to the cafeteria serving lines to provide information about food services, free/reduced lunch applications or questions, and to assist with setting up the lunch account through My School Bucks.

Laptops:

Connect you to a live person who can assist you and can schedule a virtual meeting with a counselor or administrator over the next few days to assist with schedule questions or other needs.

Online: Parking

Parking permits and payments will be completed online. Information will be posted on the Luella High School website.

All extracurricular activities are divided into groups based on similar interests. Each group is located in different areas of the school, all of which can be found on a map in this packet.

Athletics: Main Gym

Fine Arts: Fine Arts Wing

All-Academic Clubs: Media Center

Student Body Representatives: Hallway Outside the Commons

STEM: 300/700 Intersection

Humanities: 100/800 Intersection

CTAE: 400/800 Intersection

ROTC: ROTC Wing

Affinity Groups: Auxiliary Gym

Social/Cultural Groups: 200/700 Intersection

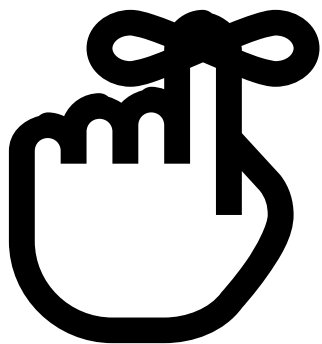

GOT a QUESTION?

Remember: Two Things!

1st Day of School – **Wednesday, August 4** – school begins at **8:15 AM**

Please use our website where most information about school opening and first few days is posted, or feel free to contact us by phone (770-898-9822); the front office is open and phones answered from 7:45 AM – 4:00 PM each school day.

Administrators and other school officials will be roaming the hallways and can assist with questions.

Thank you again for attending open house.
