## Notes from Mr. Hunter

Over the past two weeks the Lyman Performing Arts groups have been on fire! Two weeks ago our Marching Band and Dancers had an amazing performance at the Dede Schaffner SCPS Marching Band Festival. This past weekend the Lyman Theater Department put on three amazing performances of "The Giver." I am so proud of all our Lyman Performing Arts groups as you continue to highlight all the amazing talent our Lyman students have to offer.

I want to congratulate our Girls Volleyball Team on a great season and to wish good luck to all of our remaining fall athletics teams as you wrap up your seasons and march into the playoffs. I am also excited to see our winter sports teams having tryouts and starting to hold practices. I cannot wait to see these teams in action.

This is a reminder that this week is a great time for all of our students to check their progress in each of their classes. We are still in the first part of the second quarter and now is time to make sure your grades are heading in the right direction by:

- Making sure you have turned in all of your work
- Preparing yourself for your next test or exam
- Reviewing any data folders to make sure you are progressing at an appropriate pace
- Asking for help from your teachers

As always, I want to thank our students for all the hard work you are putting into your academic success!

GO GREYHOUNDS!

Michael Hunter  
Principal
