## A Weekly Update from Mr. Hunter

If your student still has an "F" in an academic class from first semester, and they are not making it up in after school PLATO, they need to sign up for SUMMER SCHOOL. We also recommend that students that received an "F" for the 3rd quarter sign up for Summer School. This will make sure your student has a seat in the case they do not earn a passing grade for the semester. Info on summer school can be found on the following pages of this bulletin.

Prom tickets are on sale now! Tickets are being sold via GFan.co. Students can use the barcode on the following pages to access the page to purchase tickets. Please enter your STUDENT ID in the box labeled "Promo Code". In order to purchase tickets for Prom, you must be an 11th or 12th grade student with less than 5 unexcused absences for any period. Students eligible for Prom may also bring one guest. Guests that DO NOT ATTEND LYMAN must fill out a guest form. Lyman students do not need to fill out a guest form to attend our Prom. Tickets are on sale until Friday, April 21. In order to avoid potential ticketing issues at the door, we will be distributing PAPER TICKETS to all Prom attendees Monday April 24 - Friday, April 28 at both lunches. This will help students rest assured they have a ticket to attend. Prom takes place Saturday, April 29. A buffet dinner is included in the Prom experience.

Thank you as always for your support and let's make this a GREAT-Greyhound Week!

Michael Hunter, Principal

## Greetings from Lyman H.S. Athletic Boosters!

We're so excited to announce our annual best ball golf classic. This year's event will take place April 15, 2023, at the Wekiva Golf Club in Longwood. This fun, community-oriented event raises funds to support our athletic teams, senior scholarships, and facility upgrades.

Interested in helping out? We're looking for local businesses to make raffle and silent auction donations. Donations can be anything from gift cards for goods or experiences to clothing or gear representing your business. Not only will your tax-deductible donation have a positive impact on the community's students, but you'll also receive great marketing exposure through our website. Contact Booster President Kevin Albright, 407-810-6158, [kkalease@aol.com](mailto:kkalease@aol.com).
