## Notes from Mr. Hunter

I want to thank our students and staff for a GREAT Prom! It was so fun to provide this experience. It's hard to imagine that our last Prom was 2019! Our students were awesome and I hope that they enjoyed their evening.

Now that the calendar has turned to May, testing season has begun. In addition to AP testing, FSA and EOC testing also start this week. Please remember that **THIS YEAR'S FSA AND EOC TESTS COUNT!** If your student is enrolled in a course with a state required End of Course Exam, the results of the exam will count as 30% of your student's final semester grades in the course. Please make sure your students are eating well and getting enough sleep. Please also encourage them to give their best effort. They have worked hard all year and we want to make sure their efforts are reflected in their test results. The testing season also brings more congestion to our car drop off lines in the morning. I HIGHLY ENCOURAGE parents to use the rear car line that enters off of Dog Track Road. This carline can accommodate more cars and moves much quicker.

This week is also TEACHER APPRECIATION WEEK! I want to thank all our teachers for the tremendous work they have done all year long. Lyman High School has outstanding teachers that are second to none. Our school is incredibly fortunate and we look forward to showing appreciation this week. A special thanks to Lyman PTSA and SGA for your help in celebrating Teacher Appreciation Week.

Thank you as always for your support and let's have a GREAT Greyhound Week!

Michael Hunter, Principal
