Weekly Message from Mr. Hunter

I want to start by saying thank you to all of the Lyman students, parents and staff that reached out Sunday night to report what they had seen on social media. Law Enforcement was able to quickly investigate and make contact with the individuals involved and determine that the threat was non-credible. These situations can be incredibly scary, but I remain thankful for our community and local Law Enforcement. It is by working together that we show we care about Lyman High School and always keep it safe.

It is hard to believe, but we are already half way through the first quarter. I encourage both parents and students to check Skyward after Wednesday, September 14 to see your student's progress report grades and attendance. To help families turn in absence notes digitally, we have created a dedicated email account for absence notes. Please email absence notes to lyman_attendance@scps.k12.fl.us, as we have multiple staff members monitoring this account. Remember, students will miss out on extracurricular activities if they have 5 or more absences in the same period. Make sure to excuse your student's absences if they are ill.

This Friday we will be hosting another home football game against district rival Lake Howell. We encourage everyone to come out and support our football team, band, dancers and cheerleaders. Friday will be a "white out" and cotton tees can be purchased Tuesday Wednesday and Thursday in the hallway Kennel for \$7. We expect a large crowd and I want to remind every to follow the rules for football games at Lyman High School:

- Baby powder and noise makers are NOT permitted in the sports complex. We had several students sneak baby powder in our last game and later toss it in the crowd. This is NOT permitted and anyone found in possession of an unauthorized item such as baby powder will be removed from the game and will receive a discipline referral.
- No backpacks are allowed in the sports complex. Purses and diaper bags will be searched upon entry.
- No beverage containers (open or sealed) can be brought into the stadium per SCPS rules.
- No vaping or smoking is permitted on campus.
- There is no re-entry.
- We will have both paid and free parking areas.

I thank you for all of your support and wish everyone a GREAT-Greyhound week!

Michael Hunter, Principal
