Deepening & Advancing Our Commitment to **HIGH** *performance*

Clayton County Public Schools choice programs are designed to attract all Clayton County students. Students entering pre-kindergarten through grade 12 have the opportunity to choose from an array of choice and Career, Technical, Agricultural, Education (CTAE) theme-based curricula offerings at all levels. Choice programs offer the opportunity for students to discover their talents and explore their interests while focusing on academic rigor. These programs provide students with a pathway to post-secondary education and career. Magnet Programs have a criteria or enrollment process while other school choice options are open to all students.

Clayton County Public Schools is a district member of Magnet Schools of America. There are two key components of magnet schools, that Clayton County Public Schools is proud to adopt: 1) theme-based curriculum and instruction and 2) school diversity. We take great pride in our programs and we continue to promote racial and socioeconomic diversity offering specialized programs that attract students from different neighborhoods and backgrounds.

Eligibility Criteria

Elementary School Criteria

Pre-Kindergarten Programs

Child must be four years of age on or before September 1st of the school year (Please see the Pre-Kindergarten [website](#) and/or page 12 for an updated list of schools/programs.)

Kay R. Pace Elementary School of the Arts (Magnet)

Kindergarten through Second Grade

- Completed application

Third through Fifth Grade

- Completed application
- **Audition in chosen area of interest listed on the application**

Kilpatrick Elementary School Dual Language Magnet Program (Spanish)

Only accepting Kindergarten, First and Second Grade students for Fall 2020

Kindergarten and First Grade

- Completed application

Second Grade

- Completed application
- Acceptable score on the language proficiency test

Lake Ridge Elementary School Dual Language Magnet Program (French)

Only accepting Kindergarten and First Grade Fall 2020

Kindergarten and First Grade

- Completed application

Mount Zion Primary School Dual Language Magnet Program (Spanish)

Only accepting Kindergarten, First and Second Grade students for Fall 2020

Kindergarten and First Grade

- Completed application

Second through Fifth Grade

- Completed application
- Acceptable score on the language proficiency test

River's Edge Elementary School Dual Language Magnet Program (Chinese)

Only accepting Kindergarten Fall 2020

- Completed application

Unidos Dual Language School (K-5) (Magnet) (Spanish)

Pre-Kindergarten through First Grade

- Completed application

Second through Fifth Grade

- Completed application
- Acceptable score on the language proficiency test

Sibling preference is not granted for any program.

Quick Tip: Prior to completing the application, tour the school of your choice to learn more about the various programs. 6

Middle School Criteria

Elite Scholars Academy (Magnet)

- Sixth through eighth grade students are required to pass the GMAS or an equivalent/alternative standardized test at the “Proficient” or “Distinguished Learner” levels in English Language Arts and Mathematics.
- Two online of recommendation forms
- Discipline infractions may impact final acceptance into the program

M.D. Roberts Middle School Fine Arts Magnet

- Eligible Audition Score (**Students may audition only in areas listed on the application.**)
- Must have 71 or above in each class using the most recent grading period
- Two online recommendation forms

Morrow Middle School Dual Language Magnet

- Completed application
- Acceptable score on the language proficiency test
- Two online recommendation forms

Rex Mill Middle School STEM Magnet

- Completed application
- 80 or above in each academic course: math, science, English language arts, and Social Studies or have “proficient” or “distinguished learner” level on each GMAS (An equivalent assessment may be used if GMAS scores are not available)
- 96% Attendance
- Two online recommendation forms from current teachers or administration
- Discipline infractions may impact final acceptance into the program

Sibling preference is not granted for any program.

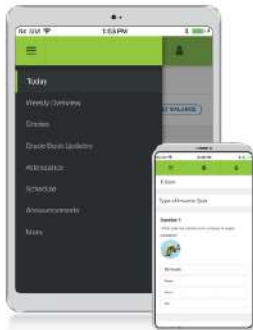

Access on the Web

Campus Student and Campus Parent

Campus Student and Campus Parent are designed to provide real-time access to student information. The easy-to-use design displays what is currently happening in the classroom so you can understand, monitor, and participate in the educational process.

High School Criteria

Elite Scholars Academy (Magnet)

1st Priority – 9th Grade

- 3.0 GPA
- 96% Attendance
- Foreign Language I Completion
- Algebra I Completion
- Physical Science Honors Completion
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

2nd Priority – 9th Grade

- 3.0 GPA
- 96% Attendance
- Foreign Language I Completion
- Algebra I Completion
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

3rd Priority – 9th Grade

- 3.0 GPA
- Algebra I Completion
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

10th Grade

In order to be considered for lottery, all current 9th grade students must show successful completion of the following courses by the end of 9th grade. All students must also have an overall 3.0 GPA.

- Math – Algebra I and Geometry
- Science – Physical Science and Biology
- Foreign Language – 2 years of foreign language
- Social Studies – World History
- English – 9th Grade Literature

All students must be on track to have earned between 8th and 9th grade nine (9) or ten (10) high school credits.

- Two online recommendations
- Discipline infractions may impact final acceptance into the program

Charles R. Drew High School Medical Science Magnet

1st Priority – 9th Grade

- Successful completion of Algebra I and Physical Science with an 80 or higher
- Grade of B or higher in all core classes in 8th grade
- Online recommendations from a mathematics teacher and a science teacher
- Essay
- Discipline infractions may impact final acceptance into the program

2nd Priority – 9th Grade

- Grade B or higher in all Core classes in 8th grade
- Online recommendations from a mathematics teacher and a science teacher
- Essay
- Discipline infractions may impact final acceptance into the program

1st Priority – 10th Grade

- Successful completion of Algebra I, Physical Science, 9th Grade Literature and 1 Social Studies with an 85 or higher cumulative average (no C's)
- Successful completion of Algebra II or Geometry & Biology with an 85 or higher
- Online recommendations from a mathematics teacher and a science teacher
- Essay
- Discipline infractions may impact final acceptance into the program

2nd Priority – 10th Grade

- Successful completion of Algebra I, Physical Science, 9th Grade Literature and 1 Social Studies with an 85 or higher cumulative average (no C's)
- Online recommendations from a mathematics teacher and a science teacher
- Essay
- Discipline infractions may impact final acceptance into the program

Jonesboro High School Political Leadership Magnet

- 3.0 GPA
- Essay
- 90% average in 8th Grade Social Studies
- Interview
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

Lovejoy High School Mathematics and Computer Science Magnet Program

1st Priority-9th Grade

- 2.8 GPA in core academic coursework
- Algebra I Honors
- Physical Science Honors
- 96% Attendance
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

2nd Priority- 9th Grade

- 2.8 GPA in core academic coursework
- Algebra I Honors **OR** successful completion of an advanced core academic class
- 96% Attendance
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

3rd Priority- 9th Grade

- 2.8 GPA in core academic coursework
- Score Proficient or Distinguished on 7th Grade ELA or Math GMAS
- 96% Attendance
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

1st Priority -10th Grade

- 2.8 GPA in core academic coursework
- 7 credits earned towards graduation
- 96% Attendance
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

2nd Priority -10th Grade

- 2.8 GPA in core academic coursework
- 5 credits earned towards graduation
- 96% Attendance
- Two online recommendations
- Discipline infractions may impact final acceptance into the program

School Choice magnet students receive transportation to the designated school if they reside more than one and one half (1-1/2) miles from the school and live within a designated Choice school transportation zone. Students that live outside of the Choice school transportation zone may attend the Choice school if they provide their own transportation to and from school or go to the nearest designated shuttle bus stop pick-up locations for the School Choice program. Available shuttle bus stops are listed online at www.clayton.k12.ga.us/departments/transportation. Additional bus stops will not be created for students who reside within the Choice school zone. **Note: Students attending Kay R. Pace School of the Arts, Kilpatrick Dual Language Program, Lake Ridge Elementary, Mount Zion Primary Dual Language Program and River's Edge Dual Language Program are not eligible for transportation. Student transfers for House Bill 251 and Student Hardship do not receive transportation. NON-RESIDENT STUDENTS MUST PROVIDE THEIR OWN TRANSPORTATION.**

Quick Tip: Your online account will allow you to track the status of your child's application.

MENDED WING THEATRE CO.

Pre-K and Elementary School Programs

Elementary programs offer innovative, integrated curriculum that emphasizes the development of the whole student.

Pre-kindergarten

Georgia Pre-K uses Georgia Early Learning Development Standards (GELDS) to drive instruction and is linked to the Pre-K curriculum. They are a set of appropriate, attainable standards that are flexible enough to support children's individual rates of development, approaches to learning, and cultural context. The GELDS are a continuum of skills, behaviors, and concepts that children develop throughout this time of life. They are divided into age groups and serve as a framework for learning.

Cambridge Assessment International Education (Primary)

Cambridge Primary gives schools a world-class curriculum to develop learner skills and understanding in English, mathematics, and science. Cambridge Primary helps identify a learner's strengths and weaknesses and can be used to support learning and development.

*Arnold Elementary School (In-House)

*Suder Elementary School (In-House)

Chinese Dual Language

Chinese Dual Language Programs allow students to develop proficiency in two languages by receiving content area instruction in both English and Chinese. Students, regardless of native language proficiency, are provided with ample exposure to languages, allowing them to achieve academic excellence while becoming bilingual and bi-literate. The program also emphasizes cultural awareness and sensitivity.

*River's Edge Elementary School (Magnet)

French Dual Language

French Dual Language Programs allow students to develop proficiency in two languages by receiving content area instruction in both English and French. Students, regardless of native language proficiency, are provided with ample exposure to languages, allowing them to achieve academic excellence while becoming bilingual and bi-literate. The program also emphasizes cultural awareness and sensitivity.

*Lake Ridge Elementary School (Magnet)

International Baccalaureate Primary Years

The IB Primary Years Programme curricular framework focuses on the development of the whole child in a learning environment that encourages independence, academic challenges, inquiry, creativity, and responsible citizenship. This Choice program offers a comprehensive, inquiry-based approach to teaching and learning in an internationally designed concept-based model with guidelines on students learning styles, methodologies and assessment strategies. The PYP is a combination of the best research and practices from international schools and includes the study of world languages and cultures to enhance the international perspective.

*Lee Street Elementary (Candidate) (In-House)

*In-House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County*

Spanish Dual Language

Spanish Dual Language Programs allow students to develop proficiency in two languages by receiving content area instruction in both English and Spanish. Students, regardless of native language proficiency, are provided with ample exposure to languages, allowing them to achieve academic excellence while becoming bilingual and bi-literate. The program also emphasizes cultural awareness and sensitivity.

- *Kilpatrick Elementary School (Magnet)
- *Mount Zion Primary School (Magnet)
- *Unidos Dual Language School (Magnet)

Science, Technology, Engineering, Arts and Mathematics (STEAM)

Science, Technology, Engineering, Arts and Mathematics (STEAM) topics are integrated into all aspects of learning including reading, writing, and social studies. All students are engaged in project based learning activities in their classrooms, which develop skills in creative problem solving, critical thinking, and teamwork and facilitates lifelong learning.

- * Brown Elementary School (In-House)

Visual and Performing Arts

This elementary comprehensive arts program provides opportunities to develop and showcase performers. Children who enjoy creative expression through 2D and 3D art, dance, instrumental, piano, vocal music, theatre, and the written word will flourish artistically and academically in our performing, visual, and communication arts programs. This program helps develop and nurture talents so students can realize their full potential and become shining stars. Self-discipline, teamwork, and personal confidence foster success in the classroom, on the stage, and in life.

- *Kay R. Pace Elementary School of the Arts (Magnet)

*In-House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County*

Prepared for Both College and Career Pathways

Designed to meet the needs of young adolescents (ages 10-15), middle schools bridge the gap between elementary and high school by providing students with an opportunity to learn in a safe, nurturing, and positive environment. Middle school magnet program courses also reinforce Reading Across the Content Areas, Technical Writing standards, Creative Skills, Fine and Performing Arts Development, Entrepreneurship standards, and CTAE Foundation Skills.

Cambridge Assessment International (Lower Secondary)

Cambridge Lower Secondary provides students with the opportunity to pursue a rigorous program of study based on an internationally standardized curriculum. Cambridge academies differ from a traditional setting because of the instructional model, in which the curriculum is delivered to the learner in an integrated cross content and spiraled method. The goal of the Cambridge program is to build a sound academic foundation for all learners that will enable them to succeed in any high school program including AICE, Advanced Placement, International Baccalaureate, Honors and regular education programs. Students will develop skills to be confident, responsible, reflective, innovative, and engaged learners. Interested students should possess successful schooling habits, habits of mind, enjoy learning and working with like-minded students and be able and willing to direct their own learning.

*Elite Scholars Academy (Magnet)

Early College/Advanced Academics

The early college magnet is an all honors school. The magnet program enables students to experience rigorous high school and college coursework that leads to improved outcomes. These accelerated course offerings will prepare students for their required AP courses in high school and their Move On When Ready (dual enrollment) coursework.

*Elite Scholars Academy (Magnet)

International Baccalaureate (IB) Middle Years Programme

The International Baccalaureate Middle Years Programme (IBMYP) is for students in grades 6-10 and provides a framework of academic challenge and life skills appropriate to this stage of adolescence. The IBMYP offers a holistic approach that emphasizes critical thinking skills, global citizenship, and intercultural awareness, as well as traditional school subjects. The curriculum consists of eight subject groups explored through six global contexts: identities and relationships, orientations in space and time, personal and cultural identity, globalization and sustainability, fairness and development, and scientific and technical innovation. The eight academic subjects required each year of the IBMYP are: Language and Literature (English), Language Acquisition (World Language), Mathematics, Sciences, Individuals and Societies (Social Studies), Arts, Technology (Design), and Physical and Health Education. In their final year (grade 10), students will also undertake an independent personal project to demonstrate the development of their skills and understanding.

*Jonesboro Middle School (Seeking Candidacy - Fall 2020) (In-House)

*In- House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County*

Media Arts

The Media Arts curriculum develops unique creative skills through exploration of multiple platforms such as animation, broadcast, film, graphic design/illustration, photography and web design. Students will build on critical thinking and creative abilities while gaining an appreciation for the historical and cultural perspectives in visual media.

- * Babb Middle School (In-House)
- * M.D. Roberts Middle School (Magnet)

Media Arts: Music

Students develop creative skills through a combination of techniques that blend technology and audio/music media. Through the curriculum, students will create content for film, music, video games and podcasts while gaining proficiency in sound design, sound recording, mixing, mastering, composition and scoring.

- * Mundy's Mill Middle School (In-House)

Spanish Dual Language

The Spanish Dual Language program offers a continuation for students who have been enrolled in the Unidos Dual Language School or a similar Spanish Dual Language program at the elementary level or who have a high level of Spanish Language proficiency. Highly motivated students are engaged in a challenging academic environment. A Spanish language placement test will be given in order to verify Spanish Language Proficiency.

- *Morrow Middle School (Magnet)

Science, Technology, Engineering, and Mathematics (STEM)

Science, Technology, Engineering, and Mathematics (STEM) topics are integrated into all aspects of learning including reading, writing, and social studies. All students are engaged in hands-on science and math activities in their classrooms, which are supported by the resource labs. Through these hands-on experiences, students develop skills in problem solving, critical thinking, and teamwork.

- *Rex Mill Middle School (Magnet)

Visual and Performing Arts

Creative and artistic opportunities are the main attractions in the Arts programs. All students enrolled in these programs are dedicated to the study of the arts. Intensive study and time is devoted to each student's chosen arts major, while exploring other artistic disciplines in the classroom, in the studio, and on stage. The program challenges students to achieve a high standard of artistic professionalism and academic excellence. Students are exposed to professional artists, field trips, and artistic performances as part of the program.

- *M.D. Roberts Middle School (Magnet)
- *Pointe South Middle School (Theatre Only) (In-House)

*In- House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County*

High School Programs

AP Capstone

AP Capstone™ is a diploma program from the College Board. It is based on two yearlong AP courses: AP Seminar and AP Research. These courses develop students' skills in research, analysis, evidence-based arguments, collaboration, writing, and presenting. Students who complete the two-year program can earn one of two different AP Capstone awards, which are valued by colleges across the United States and around the world.

*Forest Park High School (In-House)

*Morrow High School (In-House)

Business Administration

DeVry University will provide our eligible students with a unique opportunity that is available to only two high schools in Georgia. This partnership with DeVry University affords our students the opportunity to earn their high school diploma and simultaneously earn an Associate in Business Administration degree.

*Riverdale High School (In-House)

Cambridge Assessment International

The Cambridge Advanced International Certificate of Education (AICE) Diploma Program is an innovative and accelerated method of academic study offered solely through the University of Cambridge International Examinations (CIE). Students select from a broad range of courses and are challenged to work at the highest level of international standards. Diplomas are granted to students who earn 6 or more credits by passing end-of-course exams at the AS level and A level with at least one course from each of the three content groups, Mathematics and Science, Languages, and Arts and Humanities.

*Elite Scholars Academy (Magnet)

Early College/Advanced Academics

Early college enables students to experience rigorous high school and college coursework that leads to improved outcomes. Students will take courses at the traditional school setting where they will be enrolled in college courses at Clayton State University simultaneously. In addition to rigorous Math and Science courses required, an integrated STEAM curriculum will be available for all students. **Students must earn a minimum score on the SAT or ACT in order to be enrolled at Clayton State University.**

*Elite Scholars Academy (Magnet)

*North Clayton High School (Magnet)

Film & Media Magnet

The Film and Media program is an innovative pathway for media savvy learners to experience high school in a contemporary format. The Academy leverages the media rich and increasingly digital interactive lifestyles of students to engage them fully in the 4-year learning experience so that they are uniquely equipped to vie locally, nationally and internationally for jobs and careers after high school or college.

*Mundy's Mill High School (Magnet)

*In-House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County*

International Baccalaureate (IB) Diploma Programme

The IB Diploma Programme (DP) is an academically challenging and balanced program of education that prepares students in grades 11-12 for effective participation in a rapidly globalizing world and for postsecondary success in college and career. Students study at least two languages and increase understanding of diverse cultures. Due to its rigorous nature, preparation for the IB Diploma Programme is offered through the IB Middle Years Programme curricula in the 9th and 10 grades or through other accelerated curricula. The IB diploma leads to advanced standing in universities throughout the world. The IB Diploma Programme framework includes required courses within six subject groups: Studies in language and literature, Language acquisition, individuals and societies, Sciences, Mathematics, and the Arts. Schools tailor course sequences to meet each school's focus. Algebra I or Algebra I Honors and Spanish or French for high school credit are highly recommended to prepare students for the rigor of the program.

*Jonesboro High School (Seeking Candidacy – Fall 2022) (In-House)

Mathematics and Computer Science

The Mathematics and Computer Science programs are designed to meet the needs of students who wish to specialize in the areas of computer science, research, and mathematics. Students take accelerated and enriched coursework with an emphasis on high-level mathematics, science and computer science courses, receiving honors or college-level credit. Exciting opportunities to explore the community, participate in competitions, and solve real world problems are afforded.

*Lovejoy High School (Magnet)

Medical Sciences

The Medical Sciences program offers an innovative, integrated learning environment designed to provide the student with the medical skills and training necessary to succeed in postsecondary healthcare career education and/or to successfully transition into the healthcare workforce. This comprehensive program combines a rigorous academic curriculum with intense clinical and laboratory experiences.

*Charles R. Drew High School (Magnet)

Political Leadership

In this program, students will learn to build on the strong relationships with leaders in government and begin looking towards developing relationships with state, national, and international leaders. Students will increase their knowledge of government, civics, and ethics which will empower them to develop a more global perspective on United States and World affairs.

*Jonesboro High School (Magnet)

Science, Technology, and Mathematics (STM)

This four-year, pre-university course of study is designed to meet the needs of highly-motivated students wishing to pursue a tailored curriculum with opportunities to pursue studies in mathematics, science, engineering, and medicine. Students have the opportunity to explore the community, participate in competitions, and solve real world problems.

*Morrow High School (Magnet)

Visual and Performing Arts

The Visual and Performing Arts program provides unique opportunities for the committed and talented student who has a serious interest in the Arts. In-depth study of the Arts develops conceptual and technical skills of artistic expression and brings to fruition the student's individual interpretations of the world. The Art training is provided by highly trained art teachers as well as professionals and working artists-in-residence. Students participate in extensive highly specialized course in the arts as well as a full academic program.

*M.E. Stilwell School of the Arts (Magnet)

***In- House = Zoned Students Only, Non-Zoned Students May Complete the Student Transfer Application
Magnet=Accepts Students Throughout Clayton County***

Application Deadlines for 2020-2021 School Year

December 1, 2019: Application deadline for Magnet Programs and Charter Schools

Late applications will be accepted after February 2, 2020; however, they will not be included in the March 2020 Choice lottery and will be entered after all applicants in the wait pool have been assigned.

Application Submission

Complete application online at www.applyclayton.com
Students currently enrolled in a Clayton County Public School must enter their student ID number.

Application Guidelines

Non-Clayton County Residents – Please review the residency requirements on page 25.

Clayton County Residents – Continue with this section.

- The student's and parent's address must match the address on file in Infinite Campus or the application will not be processed. Infinite Campus must reflect your current residential address at the time of application.
- The parent and student must be full-time Clayton County residents at the time of the application.
- **Only ONE application per student may be submitted.**
- A maximum of two choice programs per application may be selected.
- Choices may be any combination of programs or schools.
- Applicants rank first and second choices in order of preference. First and second choices do not have equal chances of being selected. Programs may have limited numbers of available seats and not have any second choice students assigned in the lottery.
- Identification of a second choice does not decrease a student's chance of being selected to their first choice.
- Sibling preference is not applicable to school choice.
- Application changes: If applying online, one application selection change will be allowed before the published deadline dates.
- If the applicant has attended a similar preparatory Choice theme program (Arts, IB, STEM, Dual Language, etc.) at a lower grade level (grades 4-5 or grades 7-8), this should be noted on the application.

- Students with Disabilities are eligible to apply to Choice programs. If accepted to the school, an IEP team may convene to ensure the IEP can be implemented.
- English Language Learners and 504 students can be accommodated in all Choice programs and are encouraged to apply.

Ranges of Number of Available Seats in Choice Programs

The greatest number of available seats at each school is for students entering kindergarten, six, or nine (Except Elite Scholars Academy 9th grade).

Eligibility of Applicants

- All applicants must meet age, residency (non-tuition students), and academic requirements.
- Elementary requirements are listed on page 6 of this booklet.
- Middle schools with eligibility criteria are listed on page 7 of this booklet.
- The eligibility criteria for high school Choice programs are listed on page 8 of this booklet.
- For incoming 9th graders, GPA is calculated on the average of all classes for grade 6 through grade 8.
- For students in grade 9, the GPA listed in Infinite Campus at the time of eligibility determination will be considered.
- Students not meeting eligibility criteria will not be placed in the Choice lottery for that program.
- If a student is determined ineligible for his/her first choice selection, the second choice program selection on the application does not move to the first choice preference.

Current Home Education, Virtual School, Private School, and Charter School Students

Parents must submit proof of residency, transcripts, and standardized assessment results to the School Choice department via email (schoolchoice@clayton.k12.ga.us) no later than December 1, 2019. Please check eligibility requirements for complete details.

Auditions

Schools: Kay R. Pace School of the Arts, M.D. Roberts Middle School Fine Arts Magnet, and M.E. Stilwell School of the Arts

- **Students must audition in the chosen area of interest listed on the application.**
- In order to be eligible for the magnet lottery, the student must receive an eligible audition score for Kay R. Pace School of the Arts, M.D. Roberts Middle School Fine Arts Magnet, and M.E. Stilwell School of the Arts.
- Parents may select an audition date at the time the application is submitted. Once the application is approved, parents will receive a notification email indicating the audition date has been accepted.

- Approved applicants will be notified via e-mail of the audition procedures and/or the time and date of the student audition.
- Higher audition scores are required for ascending grade levels. Contact the individual schools for more information.
- If a child is ill on the date of the audition, that student may be considered for a new audition date and time upon receipt of a medical doctor's written verification of illness. This verification must be submitted to the appropriate Arts School within three (3) school days of the student's scheduled audition. A new audition date and time will be selected by the school only if there are more audition dates available.
- Parents/legal guardians who believe their child was not allowed an equitable opportunity to a Choice program during the audition or eligibility process as a result of a technical problem or inequity, may request an appeal within five (5) days of the audition.
- An application for an appeal of Choice program eligibility must be submitted to the Director of School Choice within five (5) school days of the audition. At the time of the application, parents are required to sign a statement acknowledging that they have five days to appeal and no appeal will be available after the five day window following a student's audition.

Lottery Selection Process

The lottery will be conducted during the week of March 9-13, 2020. Student placement is limited per program, grade level, and school. All eligible students must adhere to contractual understandings; however, enrollment is not guaranteed for any applicant.

Post Lottery

- Students who are selected in the Choice lottery will receive notification from the district via e-mail by March 25, 2020.
- Students who were not selected in the Choice lottery will receive notification from the district via email on or about March 25, 2020.
- Once a student is selected for one of his/her choices, he/she is immediately removed from the wait pool for the remaining program on the application.
- If a student declines his/her first choice assignment, the student must attend his zoned school.
- Students assigned to their first choice cannot choose to remain in the wait pool for their second choice.
- If a student declines his/her second choice assignment, he/she may remain in the wait pool for their first choice. A decline of a second choice lottery assignment will automatically place the student in the wait pool for

the first choice. To be considered, eligibility criteria must be met for the first choice program.

- Students who are selected and accept placement into a Choice program must agree to participate on a full time basis.
- An applicant may not be selected for either one of his/her choices. If this occurs, the student is placed in a wait pool and may be assigned for any openings reported by the school.
- Students may be assigned through the lottery process until 4:00p.m. on the first day of school.
- If a student exits a Choice program, voluntarily or involuntarily, he/she must return to his/her zoned school, regardless of their grade level.
- If a student exits a Choice program voluntarily or involuntarily, that student will forfeit the seat and may not apply in any future lottery cycle to the same Choice program.
- If a student is not selected to attend a Choice program prior to the start of the 2020-2021 school year, a new application may be submitted for the 2021-2022 school year.

Accepted Students

- All Choice programs require, as a condition for admission, that parents/legal guardians sign a contract agreeing to the student requirements of the Choice school.
- The parent or guardian has the right to withdraw the student at any time but removal at the end of the semester or year is highly recommended.
- A student who fails to meet the standards established in the contract will be placed on probation.
- Certain programs may require students to maintain designated GPA for continued participation.
- Magnet programs will have a different dress code from the district-wide dress code. Please review the school's website for the current requirements.
- If the student does not meet the terms of probation by the end of the designated marking period, or a Level 3 or 4 incident according to CCPS Student Code of Conduct occurs, a diverse committee of school and district representatives will be established to review, discuss, and recommend the appropriate action, as per the school program requirements.
- Schools may only exit students at the end of a semester unless a serious offense warrants such removal (Discipline Level 3 or 4 or recommendation of the school committee). If a student is exited, the student is no longer eligible to apply for any program at the school in any future application cycle.

Non-Resident Students (Effective Date November 27, 2018)

Clayton County Public Schools (CCPS) provides an opportunity for students who are not residents of Clayton County to attend schools within the District, subject to the below guidelines.

All non-resident students, who do not fall under the exceptions listed in JBCA-R(1), shall be considered "tuition-based, non-resident" students and required to pay tuition to attend schools within the CCPS. Tuition payments shall be waived for children of employees accepted as non-resident students.

To attain tuition-based, non-resident status, each student must submit an application to attend Clayton County Public Schools and receive written approval from the Superintendent or his/her designee. Applications will be evaluated according to the following criteria: a) history of good behavior, b) average or above average academic achievement through past grades and/or standardized achievement test scores, and c) evidence of satisfactory attendance and (d) current instructional program services which will meet the educational, physical and emotional needs of the student.

The Superintendent and his/her designee shall have the right to refuse admission to any applicant if, in his/her opinion, accepting the student would not be in the best interest of the school system. Acceptance of tuition-based, non-resident students may also be limited by school capacity and program availability. A decision regarding the tuition-based, non-resident request will be considered final.

If false information is provided during the application process, or the circumstances under which the approval was granted changes, the tuition-based, non-resident student's enrollment may be revoked.

A tuition-based, non-resident student under these regulations will be treated as a resident student for the purposes of the lottery process and magnet programs. However, tuition-based, non-resident students in this category do not receive preferential treatment in the lottery process for assignment or in programs where students must apply to be accepted (i.e. magnet schools/programs), nor will they bump students currently on the wait list for these programs.

Tuition rates shall be calculated annually and set based upon guidelines set forth in accordance with state law and shall be due on a fee schedule determined by District procedures. Payments shall be made on a per semester basis, at least ten (10) business days in advance of the start of the semester. Payments will only be accepted via credit or debit card, or in postal money order or Cashier's Check form. No personal check or cash will be accepted. Note: if a student voluntarily withdraws or is involuntarily withdrawn as a result of a disciplinary sanction within a semester, any pre-paid tuition will not be reimbursed.

For all tuition-based, non-resident student approvals, the following provisions apply:

1. Students who receive a tuition-based, non-resident approval and enroll in the year in which permission is granted may attend the school through the highest grade of the particular school prior to re-applying;
2. Transportation must be provided by the parent/guardian; However, the parent/guardian may take advantage of the District shuttle opportunities, if available;
3. If the student receives special education services, the school selected must have the special education services required by the current Individual Education Plan (IEP); and
4. **If the student transfers at the high school level, he/she must meet Georgia High School Association requirements to participate in competitive interscholastic activities.**

Subject to other qualifications for non-resident students, students who are residents of nations other than the United States who reside with a family who is a resident of Clayton County may be admitted without payment of tuition under recognized foreign student exchange programs.

The school system reserves the right to terminate the enrollment of a non-resident student at any time, for any legal reason, including failure to pay tuition on time, poor academic performance, poor attendance, excessive tardiness, or poor behavior as determined by the Superintendent or his/her designee.

Applying Online

Using the parent dashboard, your online account will allow you to track the status of your application. Applying online gives you priority access to the lottery results. Prior to applying for a Choice program, we encourage you to attend the Open House for each Choice program to which you intend to apply. Open House dates are available at:

www.clayton.k12.ga.us/departments/school_choice.

How to Apply

Go to **www.applyclayton.com** on your computer, tablet, or smartphone

Click "Apply Now"

Create your Parent/Guardian Account* with a user ID and password that is easy to remember

User ID: _____

Password: _____

Reminders

A separate application must be submitted for each child applying for a Choice program.

Remember to "Submit" your application or it will not be considered in the Choice lottery. Your application status can be viewed on the parent dashboard upon login.

Pre-Kindergarten Registration for 2020-2021 School Year

PRE-KINDERGARTEN REGISTRATION IMPORTANT DATES:

- ❖ Lottery Registration: March 2, 2020 – March 6, 2020
 - ❖ Lottery Drawing: March 25, 2020
 - ❖ Acceptance & Wait List Letters Mailed: April 20, 2020 – April 24, 2020
 - ❖ On-Site Registration (**By Appointment Only**): May 4, 2020 – May 8, 2020
- ❖ *To qualify for this program, a child must be four years of age on or before September 1, 2020 of the school year and must be a resident of Clayton County.*
- ❖ Acceptance into Clayton County Public Schools' Pre-K classes will be based on a computer generated "Lottery System" for each site. Priority is given to children residing within the school's attendance area. Parents may register their child for **one** Clayton County School's Pre-K site of their choice.

Items Needed to Register:

- ❖ Social Security Card
- ❖ Child's Original State Issued Birth Certificate
 - ❖ Parent's Government Issued Photo ID
- ❖ Two Current Proofs of Residency (**within 30 days**)
(mortgage statement, rental agreement, utility bills: gas, water, and electric)

PRE-KINDERGARTEN HOURS:

8:30AM - 11:30AM and 1:00PM – 3:00PM

There are several types of Student Transfers available for consideration. Please take the time to review each option to determine which request(s) meet your needs.

Employee Transfer Request

Children of full time Clayton County Public Schools employees will be allowed to attend Clayton County Schools regardless of their residence location under certain conditions. Employees do not receive preferential treatment in the lottery process for student assignment, or in programs where students must apply to be accepted. Please refer to Board Policy JBCA.

**Important Dates for the 2020-2021 School Year
Employee Transfer Application**

April 27, 2020-June 5, 2020

Available for current employees only, in RapidIdentity under Employee ODD Link

Once your application is submitted, you will no longer have access to change or add any information. You will receive a confirmation number for reference purposes only. This number does not in any way indicate a decision of approval or denial.

Hardship Transfer Request

According to the Clayton County Public Schools Board Policy JBCD, “The Board of Education will not furnish transportation for any student granted a transfer to attend school outside his/her attendance area.”

HB251 Transfer Request

According to Georgia HB251, the parent of a student enrolled in a public elementary or secondary school in this state may elect to enroll such student in a public school that is located within the school system in which the student resides other than the one to which the student has been assigned by the local board of education if such school has classroom space available after its assigned students have been enrolled.

SB10 Transfer Request

The Georgia Special Needs Scholarship (GSNS) Program is a school choice program available for special needs students attending Georgia public schools who are served under an Individualized Education Plan (IEP). Please visit the CCPS Student Services website or the Georgia Department of Education website for more information.

**Important Dates for the 2020-2021 School Year
HB251, SB10 and Hardship**

April 27, 2020-June 5, 2020

These are the only dates applications will be accepted for the 2020-2021 school year. Approval and denial letters will be mailed before **July 15, 2020**.

July 20, 2020 –August 7, 2020

Request for Kindergarten student transfers

Once your application is submitted, you will no longer have access to change or add any information. You will receive a confirmation number for reference purposes only. This number does not in any way indicate a decision of approval or denial.

Guidelines and Lottery Process

- **When the number of transfer requests exceeds the remaining available seats within each individual school site, that school is closed for the year.**
- Schools that adhere to specific enrollment criteria, a lottery process for student assignment or programs where students must apply to be accepted are not included in this process. Examples include, but are not limited to, all magnet programs, Pre-K, and career academies.
- For your convenience, computers and scanners are available to the community to assist with this application process.

Computer Access

- **Administrative Complex, 1050 Fifth Avenue, Jonesboro GA 30236**
- **Professional Learning Center, 1087 Battle Creek Road, Jonesboro GA 30236**
- **Your Child’s School**
- **Public Library**

*****Only one student transfer approval will be granted per school year. The approved transfer must occur during the first week of school during the fall semester; the approval will expire 10 days after the beginning of the fall semester.**

*****If you previously received a student transfer letter that allows your child to stay at the school until the highest grade at the school and you enrolled your child during the valid time period, then do not apply again. Your application will not be processed.**

Career Exploration

The benefits of industry-based credentials are many: High school and postsecondary CTAE programs that lead to associate degrees, certificates, and industry-recognized credentials can help young people find skilled employment and give them the option of later returning to school for a higher degree. Industry-based certifications also provide employers with a standard that is useful in evaluating and “benchmarking” a candidate who has no substantial work experience. This is not to suggest that higher education is not a desirable next step for students, but a CTAE program that has multiple points of entry. Research studies indicate students who attain industry certifications earn more money over the course of their careers than those lacking industry-based certifications. Students who earn a certification feel a sense of accomplishment improving student engagement in school, academic and technical achievement, and successful transition to further education and careers.

Magnet Schools: Our Pillars

Magnet Schools are founded on the five pillars of diversity, innovative curriculum and professional development, academic excellence, high quality instructional systems and family and community partnerships. The synergistic relationship of these five equally held tenets is not merely a foundation, but a compass moving our students/children forward to a well prepared future.

- **Diversity** is a cornerstone to offering students a global educational experience. Schools, through recruitment and lotteries, strive to have student populations that are reflective of the community. Culturally competent educational environments model empathy, respect, and working collaboratively with a variety of persons.
- **Innovative Curriculum and Professional Development** is developed to assure theme-based relevant instruction to students. Effective teaching strategies, emulating from best practices, are implemented through the inclusion of the school's theme. Curriculum is based on high quality rigorous standards that prepare students for higher education and career success.
- **Academic Excellence** is demonstrated through a commitment to multi-dimensional instruction focused on student needs. Multiple assessment strategies are employed to monitor student learning, progress and success. High expectations are clearly articulated and personalized supports are in place to address the interests and aspirations of all students. In addition, positive peer support, an outgrowth of mixing middle-class and low-income students, has been instrumental in encouraging students to dream bigger and be more engaged in school.
- **High Quality Instructional Systems** are rooted in well-prepared, well-educated professional educators. Teachers and administrators who are student-centered, collaborative, and inquisitive prepare learners to be world ready, workforce ready, and higher education ready. Teacher and administrative development through MSA encourages networking, shared research and information and professional growth the benefits of which translate into an ever-evolving, ever-improving instructional system.
- **Family and Community Partnerships** are mutually beneficial, offer a system of support, shared ownership, and a caring spirit and are designed to enhance a theme integrated educational environment. Partnerships with parents are essential for a rich educational experience for students. Community partnerships include a diverse array of stakeholders including business, health and human services, and policy makers to support the education of all students and offer them a real-world view toward the future.
