Principal's Message

Dear Gulfside Families,

As we move into March, let's keep the momentum going to have every child read daily and every night! Your child should be able to select a media book at their IRLA reading level, identify their reading goal, and practice reading and writing using their new power words. All students are encouraged to take AR quizzes online when they finish reading their books or when a book is read to them by a teacher, friend or family member.

Thank you to all of our families for making sure students are in attendance on the school campus or online.

and engaged in learning each day! All of our online students need to have their computer cameras on during online instructional time. Please be sure to reach out to your child's teacher if you would like to discuss your child's progress and learning goals.

Please be sure to check the important dates and information listed in this newsletter. We are always looking for ways to better serve our students and families, so contact us with your suggestions/feedback.

I am very thankful for all of my Gulfside families as we work together to make a safe, caring, positive difference in our school community and for every child, every day!

Have a wonderful and safe Spring Break, Ms. Craig

Continued Safety Protocol For Semester 2:

Masks must be worn by our staff and students the entire school day and on the bus each day. Please encourage your child to let their teacher know if they need to change their mask or if they need a new mask at any time. Our students do receive a mask break at recess, lunch and PE while making sure to social distance from their peers. Students may also wear a face shield instead of a mask if you wish. Please reach out to us anytime if you have any questions, suggestions or concerns.

February Citizens of the Month Congratulations: Kaidem Glaiber, Hailey Capabianco, Joseph Torres, Losanda Malak, Naylin Lovett, Melanie Newton,
