

MARCH

In the month of March, we are celebrating Women's History Month. Our class will begin informational writing next week that will highlight female historical figures. Excitement is in the air as we anticipate all of the teaching and learning that is to unfold. Please check the Google Classroom nightly to ensure your student is working on their writing assignments.

Reminders:

T-shirt money is due Friday, March 6, 2020.

Please check the Wednesday Folder for important information.

Each student will need to bring their charged chrome book for our writing.
