## Science Fair

Congratulations to sixth graders, Tiana Campana, Maile El-Tawansy, and Noah Wohler for a job well done at the Windward District Science Fair on February 14, 2020. Good luck to both Tiana and Maile who have advanced to the Hawaii State Science Fair which will take place in April!

## 'AINA News

Mahalo for all of your support with our Valentine's Day Flower sale. We will have another fundraiser in May to celebrate Mother's Day. Our spring garden has been planted! Ask your child to give you a tour of the garden and find out what we have been learning in 'AINA. There is so much to see as all of the plants and flowers are growing. We are so excited to report our school has received over \$1000 from CSA sales. It is not too late to sign up for this great program. To sign up by email

All of the produce is super fresh and very affordable. Also, heads up, 'AINA Night coming up in April, please stay tuned for more details. It is sure to be a fun evening for our community. We will have food, raffle prizes and fun interactive games for the entire family. Looking forward to

coming together to celebrate our young gardeners!

## PRINCIPAL'S CORNER

Hello SBES Ohana! It was really nice to see so many of you at the Friends of Sunset Beach Art Auction. What a fun event, and all for a great cause! We are so grateful for our grade level teachers who worked hard to put together beautiful class projects with their students to auction off. And a big MAHALO to our two wonderful Art teachers! What amazing work they do with our kiddos. It's hard to believe that Spring Break is almost upon us. After that, we will be gearing up for our end of the year testing. More info to come! Have a great month everyone!

## SBES Spring Ho'ike

Parents, you are invited to attend our Spring Ho'ike on Friday, March 13 at 8:30 am in the cafeteria. Students will be performing and showcasing songs they have learned in Hawaiian studies and music class.

**Gr. 3:** Thanks to all my volunteers for reading during the first period and those who monitor and work with the Garden Club at lunch on Fridays. Big Mahalo to those who support our Student Farmers' Market by sending in fruit, flowers, veggies and herbs. **\*FYI: Go Math lessons available on youtube..in search bar enter- Go Math, grade & lesson number©**
