ABOUT MS. MARTIN

Ms. Martin is a native of Spain and immigrated to the United States as a young girl at the age of 5. She studied in southern California before moving back to Spain after high school where she taught English which sparked her interest in teaching. She traveled back to the states and attended Flagler College where she earned a B.S in Spanish.

She started her teaching career in St. John's county at Bartram Trail High School however moved out of state to Pennsylvania after only 1 year. This gave her the opportunity to earn her Masters degree in Spanish Education from Duquesne University. Mrs. Martin eventually moved back to Florida where she spent 7 years teaching Spanish virtually while also an adjunct professor at Flagler College. She eventually made it back to St. John's county where she developed the Spanish program at Mill Creek Academy and is so excited to begin a new language program at Toco Creek!
