Time Oriented

Actions / Strategies / Interventions	Monitoring of Interventions (Artifacts)	Evidence of Impact (Student Learning Data)
Teachers will create writing exemplars for students to excel in second grade writing standards and in preparation for third grade writing expectations. These samples will be used for comparison and self reflection opportunities for students.	At minimum one exemplar teacher created and one exemplar student created per genre	Created exemplars will be posted in the classroom visible and relevant to the genre that is being taught.
After writing and receiving a grant for Writer’s Workshop Mentor Texts, second grade will pair books with mini-lessons to introduce writing skills and writer’s workshop for a more authentic connection.	Writing Samples	Student writing portfolio & journal Second grade leveled writer’s workshop library(teacher created)
