Honors/AP Calculus AB  
**and/or**  
AP Statistics

Pre-Calculus  
**or**  
Advanced Mathematical Decision Making  
**or**  
Statistical Reasoning  
**or**  
AP Statistics

Honors/AP Calculus AB  
**and/or**  
AP Statistics

- If you believe you should register for a support course or a foundations course in math, please speak with your counselor before registering for classes in GAVS.

- Students may move from the Traditional Pathway to the Honors Pathway, but it is recommended to do so with the guidance of a counselor who can help you register for the correct course if you are unsure what the next course in your sequence should be.
