

SAMMY MCCLURE MIDDLE SCHOOL
MRS. SNIPES' WEEKLY MATH NEWSLETTER
WEEK OF: JANUARY 23RD – JANUARY 27TH, 2017

Parents,

FINALLY!! A full week of school!! We are still working through our Geometry unit and since the kids have done well with Area, we are moving on to Surface Area. Thank you to everyone who brought in cereal boxes for our Surface Area activity this week. It should be a fun day exploring this interesting topic.

Even though it is only January, we are already starting to review the 1st semester topics to keep it fresh for the GA Milestones which will be taken in April of this year. Expect to see packets of practice problems as well as several online review assignments on USA Test Prep and the online Coach Book.

Please feel free to email me with any questions or concerns you have at nsnipes@paulding.k12.ga.us or leave a message via phone at 770-505-3700.

A MESSAGE FROM MRS. SNIPES

Day	Standard/Lesson Topic	Homework
