## Math Progression 2022-2023

|           |        |     |                    |            | 1-2 | Math for College |        | Tier 2        | <br>Tier 2 (or 3) | Tier 3 (or 4) |
|-----------|--------|-----|--------------------|------------|-----|------------------|--------|---------------|-------------------|---------------|
|           |        | 1-2 | Goomotry           |            | 12  | Lib Arts         |        |               |                   |               |
| Algebra 1 | A1 500 | 1-2 | Geometry           | Geo<br>EOC | 3   | Algebra 2        | А      | Tier 2 (or 3) | Tier 3 (or 4)     | Tier 4 (or 3) |
| Honors    | A1 EOC | 3-5 | Geometry<br>Honors |            |     |                  | ≤ B    | Tier 2        | Tier 3            | Tier 4 (or 3) |
|           |        |     |                    |            | 4 5 | Algebra 2        | A or B | Tier 3        | <br>Tier 4 (or 3) | Tier 4 (or 3) |
|           |        |     |                    |            | 4-5 | Honors           | ≤ C    | Tier 2        | Tier 3            | Tier 4 (or 3) |

| Tier 2          |
|-----------------|
| Comp. Sci.      |
| Discov          |
| Math for Coll.  |
| Algebra         |
| Algebra 2       |
| Math for Data & |
| Fin. Lit. Hon.  |

| Tier 3          |  |
|-----------------|--|
| Pre-Calc Hon *  |  |
| Prob & Stat Hon |  |
| AP Stat         |  |

| 4th Tier        |
|-----------------|
| AP Calc AB      |
| AP Calc BC      |
| (AP AB=3+)      |
| Dual Enrollment |

\* Pre Calc: A/B in Algebra 2 Honors and Teacher Rec needed (Students interested in Math / STEM Careers)

## Notes:

Comp. Sci. Discoveries may count as a math credit towards graduation and can be inserted at any point in the progression
Prob & Stat Honors or AP Stat for college bound students who are not interested in majoring in a STEM field
