1ˢᵗ Grade Mathematics Pacing for 2020-21

Days for Unit	Topic	Georgia Standards of Excellence
15 days	Bridges Unit 1 – Numbers to 10	OA4 – solve subtraction problems by finding an unknown addend OA5 – solve addition and subtraction by counting on and counting back OA6 – add and subtract within 20 OA8 – solve for the unknown number in an addition equation involving 3 whole numbers (2 addends and a sum)
16 days	Bridges Unit 2 – Fact Families, Fact Strategies and Story Problems	OA1 – solve addition and subtraction story problems OA2 – solve addition story problems using objects, drawings, and equations OA3 – apply properties of operations as strategies to add and subtract OA7 – demonstrate understanding that the equal sign indicates equivalence NBT3 – compare 2 numbers using >, <, or = symbols OA4, OA5, OA6, OA8
21 days	Bridges Unit 3 – Adding, Subtracting and Comparing	OA1, OA2, OA3, OA4, OA5, OA6, OA7, OA8, NBT3
23 days	Combinations to 20 and Geometry	OA6 – add and subtract within 20 OA8 – solve for the unknown number in an addition equation involving 3 whole numbers (2 addends and a sum) G1 – demonstrate understanding of attributes of 2D shapes; build and draw 2D shapes with specific attributes G2 – compose 2D shapes or 3D shapes to create a composite shape
12 days	Graphing	MD4 – organize, represent, and interpret data
33 days	Bridges Unit 6 – Story Problems	OA1, OA2, OA4, OA6, OA7, OA8
23 days	Bridges Unit 4 – Leapfrogs on the Number Line Place Value – modeling two-digit numbers	NBT1 – count to 120, starting with any number NBT2 – demonstrate understanding of multiples of ten NBT4 – add a one digit and 2 digit number NBT5 – find 10 more or 10 less than a number NBT6 – subtract a multiple of 10 from a multiple of 10 OA1, OA5, OA6, OA8, NBT3
22 days	Bridges Unit 7 – Place Value and 2 Digit Addition and Subtraction	NBT1, NBT2, NBT3, NBT4, NBT5, NBT6
5 days	Fractions	G3 – partition circles and rectangles into two and four equal shares
Measurement		MD1 – order three objects by length MD4 – measure objects using non-standard units
Time		MD3 – tell and write time to the hour and half hour using analog and digital clocks
