

TidalHealth Nanticoke Scholarship Programs:

TidalHealth Diversity and Nursing/Healthcare scholarships:

Deadline is May 15, 2021

TidalHealth Nanticoke offers scholarships for graduating high school students who live in Western Sussex County and pursue careers in healthcare. For those interested in a nursing or healthcare career, please apply by May 15, 2021.

TidalHealth Nanticoke also offers the TidalHealth Diversity Scholarship, which focuses on broadening the number of professionals in healthcare from traditionally underrepresented backgrounds in Western Sussex County. The program is for Black/African American, Hispanic/Latinx and/or Native American students pursuing a degree in healthcare.

- Students must be accepted into a healthcare related program at an accredited college or university
- Graduating high school senior living in the following areas of Western Sussex County: Seaford, Laurel, Bethel, Bridgeville, Greenwood, Georgetown, or Delmar
- Academic achievement is evaluated by using unweighted GPAs on a 4.0 scale
- Completion of a 125-word or more essay on the following topic: Describe what area of healthcare you are interested in and why." The submitted essay must be typed in double-spaced Times New Roman 12-point font. Scholarship Committee scores on the following: directions, grammar, essay structure, analytical skills, conclusions drawn and the "why" part of the essay.
- Submit two letters of reference from teachers, counselors, principal or community member (unrelated to student) who can attest to the student's desire to learn and likelihood to excel in the chosen course of study.
