We are now accepting Kindergarten enrollments for the 2022-2023 school year.

All current students should have received an email from St. Johns County School District with information on enrolling your child for the upcoming school year. Every student has been assigned a snap code. The email has the snap code and the link with instructions on how to submit your child's Returning Student Verification. The district will send out weekly reminder emails until the process is complete. This process has to be completed before your child will be assigned a class and schedule in the Fall. All uprising Kindergarten and 6th grade students are also required to submit current residency in order to complete their enrollment. If you haven't received an email from the district, please contact the school so we can update your email address.

Extended Day has limited spots for kindergarten students please visit the OES website for the registration form the registration fee must be included as well.

Hello Wildcat families,

As we get ready to enter the home stretch of this school year, I have been reflecting on my time so far here at Osceola. I would like to thank you all so much for welcoming me into this community. As we proceed through the month of May, thank you all for continuing to support our students. Testing season comes with all sorts of stressors and your support at home is so important for our students' success. I hope everyone has a wonderful last few weeks of school.

Sincerely,

Lucie Cantrell
