Sebastian Middle School

Build your Mind, Explore your World, Create your Future

Message from the King.....

Dear Parents and Guardians,

It's an exciting time of year, and I firstly want to wish you a safe and productive summer. The middle school years go by very quickly, and I encourage you to continue to get involved as the connection with parents is so important to our mission here.

We have navigated through the testing month of May and our testing coordinators Mr. Hodges and Mr. Sirak deserve immense credit. The task is to try to get the students to peak at the right time of year and I feel we achieved that goal. The results shall filter in mid-June and we will send a correspondence when we have information and have finalized report cards. Please remember that State EOC Courses carry a 30% weight on final exam grades, hence the delay with report cards.

Residency Verification is ongoing and you will continue to get emails from the St. Johns County School District until the process is complete. As our District grows, it's important that you are aware of the expectations in order to ensure the Orientation Process goes smoothly in August. Your student will NOT receive a class schedule until you have completed the Residency Verification paperwork.

Summer Reading is key and it is important for you to work with your son or daughter to encourage them to complete the assignments. Developing the capacity and stamina for literacy is a goal here, and there is certainly plenty of choice on the Summer Reading List.

Finally, please familiarize yourself with the Orientation Schedule in this publication. We have also produced the Curriculum Night dates for the Fall. Both of these events will give you an opportunity to connect with the faculty and staff and help you to learn about our Vision for students here at Sebastian Middle School.

Enjoy a safe summer and thank you as always for your support.

Sincerely,

Wayne King, Principal

SJCSD Returning Student Verifications

Attention all parents and guardians! The St. Johns County School District is going paperless; instead of updating paper forms during the back-to-school orientation events, all parents are now required to review forms and make updates online. You should have received an email from SJCSD with instructions and links, but if you did not, you can visit the SJCSD website at <http://www.stjohns.k12.fl.us/student/enrollment/> and click on "Register Online for 2019-2020" to begin the process. Rising 6th and 9th grade students must provide proof of residence documentation; all other students complete a standard verification form. The Returning Student Verification Form MUST be completed online before your child's homeroom and class schedule can be finalized for 2019-2020. For technical support, please call the PowerSchool Community Help Center at 866-752-6850.

Also, if you are moving over the summer, you will need to re-register your child as a "new student" through the SJCSD website in the link referenced above. Thank you for helping to ensure a smooth start to the 2019-2020 school year!

Harvest Time in Mr. Barber's Class!

With the help of Master Gardener volunteers Lynda Eidson and Gloria Obie (pictured below), Mr. Barber's

ESE students enjoyed a bumper crop of vegetables this spring. In addition to planting, watering, weeding, and nurturing these vegetables to

abundance, Ms. Edison and Ms. Obie also cooked a variety of dishes with the students, using whatever was in season. A favorite was potato soup!

Ms. Waters is Crowned as Penny Wars Champion!

From April 22—May 1, students, teachers and staff donated a total of \$462.53 in pennies, silver coins, and dollars to support the purchase of technology programs for SMS. Ms. Waters is our new Penny Wars Champion, raising the most in pennies from her students. Ms. Nall was the biggest "loser" in the Penny Wars, with too many silver coins and dollar bills donated to her bucket. Thanks to Ms. Ludwick for creating this beautiful crown!

TDAP Immunizations Needed for Rising 7th Graders by August 9, 2019

The Tdap immunization shot is required for all 7th graders and must be recorded on a Florida 680 form. As soon as your student receives this shot, the form can be dropped off at the SMS Front Office, faxed to 904-547-3845, or emailed to Becky Colvin. If the school does not receive a record of this immunization by August 9, 2019, your student will not be allowed to attend school. If you do not have a family physician, services are available at the St. Johns County Health Department. Please call (904) 209-3250 for hours and location. If you have additional questions, please contact the SJCSD Director for Health Services at (904) 547-7628.

Summer = Time to Get Sports Physicals!

Any SMS student wishing to try out for sports teams at SMS must have a physical on file dated within one year. Many sports start up in August (e.g., volleyball & cross country), so it's a great idea to get your physical completed over the summer. St. Vincent's will be offering FREE immunizations and sports physicals over the summer to all SJCSD students:

Wednesday, July 10, 9:00am—3:00pm (walk-in only)

Pacetti Bay Middle School

245 Meadowlark Lane, St. Augustine, FL 32092

Wednesday, July 17, 9:00am—3:00pm (walk-in only)

Crookshank Elementary School

SMS Yearbooks on Sale!

Forgot to pre-order an SMS yearbook this year? Not to worry! Students can purchase yearbooks all week this week during all three lunches for \$30 each, cash or check payable to SMS. Get yours today!

Media Center News & Notes

The Media Center closed for the year on May 10, 2019 so all library books are now due! If a book is unable to be found, we will accept payment for the cost of the book or a replacement of that same book in good or new condition. All non-consumable textbooks should also be returned.

Congratulations to our Media Specialists of the Day who read all 15 SSYRA books: Gia Flaherty, Nick Mariotti, Dylan Cook, Makaila Archuleta, Hyde Kenny, Megan Lay, and Graci Flaherty. Additionally, students who read 7 or more SSYRA books and the top 10 Reading Plus Combo earners were invited to a Reading Incentive Reward Party on May 21st where they enjoyed a Teachers vs. Students Battle of the Books, a luncheon, and a movie.

We also want to thank Love Reigns and B Strong (pictured below), spoken word artists who performed their poetry and conducted a writing workshop with Mrs. Hagy and Mrs. King's art classes earlier in the month. They helped students identify their metaphorical dragons and how to slay them.

Finally, don't forget to keep reading over the summer! The SMS Summer Reading Incentive Program can be accessed on the SMS website at <https://www-sms.stjohns.k12.fl.us/media/sms-summer-reading-incentive/>. Rewards are being developed now for summer readers, so keep reading!!
