Barbers Point Elementary May Day 2024

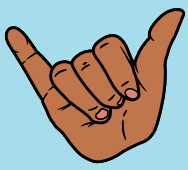

He lei pōina'ole ke keiki

A lei never forgotten in the beloved child.

**Wednesday May 15, 2024
8:30am-10:00am**

Grade levels will be sharing songs about the flowers and lei of Hawai'i. We encourage families to come and celebrate this island tradition with us. Please bring your own chairs and water. Families will be able to sit behind the students during the show.

When your child is performing you will be allowed to go to a designated area for video and picture taking.

Aloha!

Removal of Food

As a friendly reminder, all food served by the school cafeteria are **NOT ALLOWED** to leave the facility by either *students* **OR** *adults*. Our school participates in a federally funded program that prohibits food from being taken outside the cafeteria.

While we acknowledge the issue of food waste, any violations of this policy could result in penalties for the school and affect our participation in the program.

Food Sharing

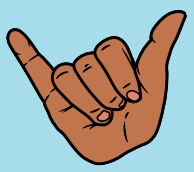

When it comes to food, sharing is not always caring! Remind your students to keep those delicious treats to themselves, even if their buddies (or adults) ask nicely. Remember, some friends might have food allergies, so let's play it safe and keep those snacks for yourself.

Candy & Nut Products

Please help educate your student on healthy eating habits. Candy and nut products are highly discouraged from being consumed on campus so please refrain from packing them in your student's snack or lunch bags.

Aloha!

Campus Changes & Reminders

As a school, we are eager to invite families back to our campus. To restore a sense of normalcy for our students and families, we plan to implement gradual changes for the remainder of this school year that will hopefully be continued into the new school year.

In order for these changes to occur, we are seeking your help and cooperation so that we may be able to keep these changes.

Pets On Campus

While many of our students and staff may be animal lovers, per Hawaii Department of Education policy, pets are prohibited on all campuses. with the exception of a certified service animal. Kindly leave your pets at home or safely in your vehicle while you help your student to their class.

Stay up to date on school/class announcements through Class Dojo!
