ARTICULATION AGREEMENT BETWEEN MANATEE COMMUNITY COLLEGE
and
MANATEE & SARASOTA COUNTY TECHNICAL INSTITUTES
and
THE SCHOOL BOARDS OF MANATEE AND SARASOTA COUNTIES

Computer Information Administrator/Network Services Administration and Security

In a continuing effort to provide seamless transition from secondary to post-secondary career ladder programs, and in accordance with the Carl D. Perkins Vocational Technology Amendments of 1990, Manatee Community College agrees to extend at no cost to the eligible students (other than the requisite application fee(s)) full college credit to those who have completed the **Network Support Services** programs at the technical institutes and the Manatee and Sarasota County High Schools.

CONDITIONS OF AGREEMENT:

1. The student must enroll and be admitted to MCC in the Program of Study leading to an Associate of Applied Science Degree in Networking Services Technology within two (2) calendar years from either graduation or completion of the Networking program certification.
2. The student will be awarded MCC credit of twelve (12) hours in the Networking Service program after successfully completing one semester at MCC and the Cisco certification examination.
3. The School Board of Sarasota County/MTI will submit a transmittal form, signed by the appropriate Director, to the MCC records office indicating the course completion and/or passing of the CISCO networking competencies and certification. Secondary student courses will appear on transcript.

REVIEW PROCESS:

This articulation agreement will be reviewed every two years unless superseded by a statewide articulation agreement.

Once initially established and appropriate approvals are secured, the Articulation Agreement shall remain in effect until revised or revoked. Sixty (60) days written notice must be given by either party to revoke an Articulation Agreement.
