

# Modern and Classical Languages Department

The Illinois State Seal of Biliteracy is an award granted by the Illinois State Board of Education to students who have attained a high level of proficiency in the four domains of listening, speaking, reading and writing in English and one or more other languages by their high school graduation.

The Seal of Biliteracy recognizes students who have demonstrated proficiency at the Intermediate-High level in all four domains in both languages according to the ACTFL standardized proficiency levels. The Seal indicates that the student can perform at a high level of proficiency, sufficient for "meaningful use in college and a career."
