Transportation

Bus Routes are available on the parent portal

Car Tags are distributed TOMORROW (Friday 21st) from 10 a.m. to 1 p.m. at the CARLOOP. If you do not have a car tag on Monday when picking up your child you will have to wait and be verified before your child is released to you.

Take a few minutes now to ask each parent how their child is going home on 1st day and thereafter

Parent Portal and Student Fees

All grades and communication related to student progress is done through the parent portal only. Call the office or visit our website for directions on starting your parent portal account

Student fees of \$29 can be paid online or by check. All students whose fees are paid by September 11th will receive a free RBCES t-shirt.

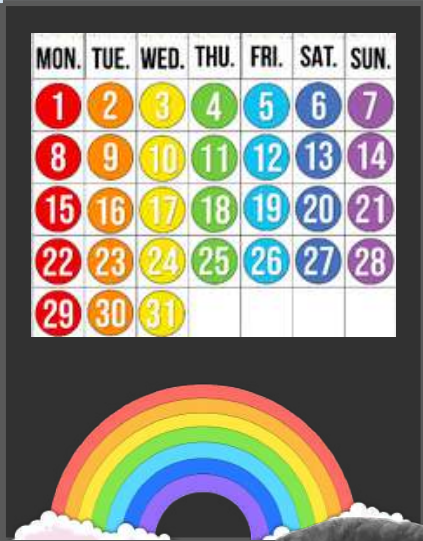

Emergency Contact Information
Please update your child's emergency contact information on our website. This is very important so we have proper contact information as well as knowing who can pick up your child from school!
This should be completed by the first day of school, Monday August 24th

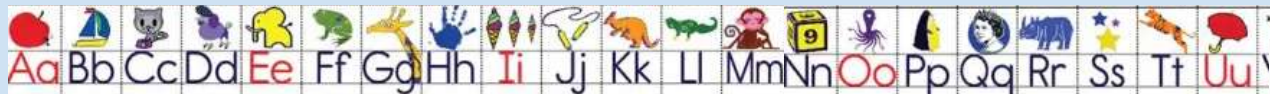

Update Parent Contact Information
I want to make sure I have everyone's most updated contact information. If yours has changed, or changes in the future, please let me know ASAP so I can update my contact list!

The school will be sending out a lot of information this year through email. If your email has changed please let me know so I can update that as well 😊

Class Dojo

The whole school will be using Class Dojo this year.

I encourage everyone to download the App on your phone to view pictures, announcements, and see how your child is doing in class.

I will also be using it as a means of communication.

I will be sending out invites to join our class by Friday!
