### MEMORANDUM

**TO:** School Nutrition Supervisors  
Single Unit and Special School Administrators

**FROM:** Aimee F. Beam, RD, LDN   
Education Associate, Child Nutrition Programs

**SUBJECT:** SY 2014-2015 Operational Memo # 22  
Schedule A (Statistics Report)

---

The United States Department of Agriculture requires each School Food Authority (SFA) to report specific data in relation to student participation in the National School Lunch Program, School Breakfast Program and Afterschool Snack Program. Delaware collects this data on the Schedule A Form. The data is to record the SFA status as of October 31 of each year.

Attached is the electronic copy of the revised Schedule A with instructions for completing the form. Please note that the form has been updated to include Community Eligibility Provision (CEP), Breakfast in the Classroom (BIC), and Grab & Go Breakfast. For each school that is operating CEP, you will apply the free claiming percentage to the enrollment to report the number of free students. Also, if the school is implementing a BIC or Grab & Go breakfast even if it is not school-wide, put an "X" in the appropriate box.

Please submit your completed Schedule A for the October 2014 data (electronically) to [schoolnutrition@doe.k12.de.us](mailto:schoolnutrition@doe.k12.de.us) no later than **Friday, December 12, 2014**. We recommend that you maintain a copy for your files.

Please contact us if you have any questions or need assistance completing the form.
