

## What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that families can use at home
- Explain how families and teachers can communicate about student progress
- Describe opportunities for families to volunteer, observe, and participate in the classroom

## Jointly Developed

The families, students and staff of MES developed this School-Parent Compact. Teachers suggested home learning strategies, families added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs.

**Families are welcome to contribute suggestions at any time.**

If you would like to volunteer or participate, please contact Kim Lydon at [klydon@pierce.k12.ga.us](mailto:klydon@pierce.k12.ga.us) or (912) 807-0084.
