# What is Title I?

Title I provides federal funding to schools to help students who are low achieving or at most risk of falling behind. Title I is allocated to schools based on the percentage of student receiving free/reduced lunch. Schools with a percentage of at least 40% are eligible for a schoolwide program.

# How does the school spend the funds?

**The school's leadership makes personnel and instructional decisions based on the specific needs of its student population.**

- ▶ Supplementing programs that are already in place in schools, with the goal of providing all students with equal opportunity for achieving academic success
- ▶ Hiring additional teachers and other support staff
- ▶ Purchasing supplemental (additional) instructional materials, resources, and educational programs
- ▶ Conducting parent activities and workshops focusing on how the school and families can work together to support students in content academic areas and other opportunities parents request
- ▶ Providing professional development for teachers and staff

# Title I Requirements

- ▶ Identifying school needs and areas requiring academic focus for improvement by reviewing student achievement data.
- ▶ Setting goals for improvement, and making plans to incorporate strategies that are based on scientific research to increase student achievement.
- ▶ Identifying students who will benefit from additional support.
- ▶ Partnering with families in order to provide the best support possible for all students to make progress.
- ▶ Providing staff with training, professional learning, resources and materials in order to enhance their teaching, and ability to work effectively with families.
