Mr. Miller's Biography

I'm originally from Sarasota, Florida, and I attended Flagler College from 1999-2003. This is my 13th year working for the St. Johns County School District. I started my career in elementary school serving as a 2nd and 5th grade teacher. This is my 3rd year at Pacetti Bay and I have taught in both 8th grade and 7th grade social studies positions. I look forward to serving alongside the faculty, staff, and community to ensure student success.
