- Safe School Legislation, SB 7026 – Adams

(Handout provided to School Board Members)

At the request of Mr. Adams, the Superintendent reviewed some important aspects of SB 7026:

Safe Schools Add-On – The Superintendent advised that the allocation for safe school funding, included in the School District’s FEFP, had essentially doubled to \$2.4 million for 2018-2019, yet the increased allocation was still not enough to provide for a school resource officer at every school in the District. *(Currently, only middle and high schools had school resource officers.)* If the Escambia County Board of County Commission did not match the School District’s 2018-2019 allocation, the Superintendent and his staff would have to explore other alternatives.

Mental Health Allocation – Also included in the FEFP, was an allocation over \$900,000 for mental health services. The Superintendent said this new allocation would be used to expand mental health resources, with an emphasis on ensuring that every high school had adequate coverage.

- K-12 Legislation, HB 7055 – Adams

(Handout provided to School Board Members)

At the request of Mr. Adams, the Superintendent reviewed some important aspects of HB 7055:

Title One Funds - The Superintendent said HB 7055 did not completely roll back the restrictions in Title I that were imposed in HB 7069, but had at least “taken a step backward” towards the School District which was helpful.

Charter School Capital Outlay – The Superintendent advised that HB 7055 eliminated the School District’s sharing of 1.5 capital millage with charter schools.

- Energy Savings Update – Superintendent

At the request of the Superintendent, Mr. Roger McGraw, Mechanical Engineer, gave a brief [update](#) on the success of the School District’s energy saving efforts.

- Escambia County Criminal Justice Academy – Superintendent

Students enrolled in the Escambia County Criminal Justice Academy addressed the School Board regarding their experiences in this program.

- Recruiting Update – Superintendent

Ms. Elizabeth Oakes, Director of Personnel Services, gave a brief update on the School District’s recruiting efforts including university/college job fair visits, advertising, and hiring events. *(Additional information available at www.escambiaschools.org/teachecsd)*

- District Website Update – Superintendent

Mr. Jim Branton, Coordinator of Technology Services, and Ms. Bonita Davey, Network Analyst, gave a preview of the School District’s new website design, which would “go live” within the next week. Mr. Branton noted that the new design was more mobile device friendly, included responsive design elements, and was Section 508 compliant.

- Raffles by Non-profit Organizations – Superintendent

NOTE: Mrs. Hightower left the session at approximately 4:30 p.m. during the discussion on this item.

Mr. Roger Mayo, District Athletic Director, took a moment to review a new [Standard Operating Procedure](#) that outlined guidance for booster clubs when conducting raffle fundraisers. It was noted that this was a great opportunity for those organization to raise funds for students.
