**Presented By:**

*One Toro Arts*

APRIL 1, 2023

I am proud to have made history as the very first Miss Toco Creek. As a member of the first graduating class here at TCHS, I have been a part of so very many “firsts” for this school. From cheering on the sidelines to performing on the stage, to representing Toco Creek for the very first time in the Miss Senior High Pageant, being Miss Toco Creek has been my honor and privilege.

I am thankful for the support of my family, coaches, directors, teachers, and this administration for giving me the opportunity to represent our amazing community.

Thank you to the TC Arts Department and to my amazing sponsors for supporting me on this journey. Toco Creek is a special place.

To the next Miss Toco, enjoy your time, get involved, and represent our school in a positive and inspiring way. As Mr. Willets always says, we’re here to be legendary. Remember that and strive to leave your mark each and every day.

I hope that I leave behind a legacy that shows you can be involved in multiple activities and communities in our school, you can have high expectations for yourself and others, and with hard work and commitment, you can do it all. I will forever carry these memories with me, and I am so proud to represent the Toro Nation now and in the future. Horns Up for Toco!

With Love,  
Kelsey Westberg
