The following guidelines apply to all students during school hours, on school premises, on the bus, or during DOE supervised activities.

Disciplinary rules adopted by the State Board of Education and approved by the Governor were in effect as of September 10, 2009. These rules specify four classes of offenses:

Class A Offense, which must be reported to the Administration, who will determine if a dangerous situation exists and shall call the police. Offenses include but are not limited to: assault, burglary, dangerous instrument/substance, dangerous weapons, drug paraphernalia, extortion, fighting, firearms, homicide, illicit drugs, intoxicating substances, property damage or vandalism, robbery, sexual offenses, and terroristic threatening.

In accordance with the **"Zero Tolerance" Policy**:

Any students found to be in possession of a firearm (BB gun, hand gun, air gun, paintball gun or shot gun) shall be dismissed from school and will not be able to attend school for one calendar year. Only the Superintendent of Education, on a case-by-case basis, may modify your exclusion.

Hawaii Gun-Free Schools Act:

"Be Cool! Don't Be A Fool in School!" is the Department of Education's annual statewide campaign reminding parents and students that bringing a firearm, including air guns and any instrument that may be readily converted to expel a projectile, to school is a violation of the Hawai'i Gun-Free Schools Act. Any student who violates the Hawaii Gun-Free Schools Act shall be removed from attending school for not less than one calendar year.

Purposes of Chapter 19:

- Promote and maintain a safe and secure educational environment.
- Teach and acknowledge proper behavior which is beneficial to the educational process and self-development.

ATTENDANCE POLICY

The State of Hawaii's StriveHI Index measures our school's daily attendance for each student. Therefore, unexcused and/or excessive absences and tardiness are unacceptable. The educational program is organized on the basic assumption that all students attend school regularly and that they are on time. Adherence to a school attendance policy is the responsibility of the parents and student.

1. Each teacher will maintain an accurate record of daily attendance for each student.
2. Teachers will input attendance information into the Infinite Campus program before 8:30 a.m.
3. Students are encouraged to make up all work missed during absences. Failure to do so may result in lower marks on standards-based report cards.

Absences and Tardies

Parents are requested to notify the school office regarding child(ren)'s absence on or before the day of the absence by 8:30 a.m. Parents should also send a doctor's note to the school office upon the child's return to school after three consecutive sick days that states the reason, duration, and suggested activity modifications or restrictions.

The school day starts promptly at **7:45 a.m.** Students should be in class ready to begin the school day. Students, who arrive at school after **7:46 a.m.** will be marked tardy. Students who arrive after 11:00a.m. will be marked absent for the day.

IN ORDER TO RECEIVE MARKS ON THE STANDARDS-BASED REPORT CARD, A STUDENT MUST HAVE BEEN IN ATTENDANCE AT LEAST 20 SCHOOL DAYS IN THAT QUARTER.

Consequences

Families will be notified by mail of excessive absences and tardies. According to Hawaii Revised Statutes (HRS) 302A, "All school age children must attend either a public or private school unless exempted." This statute also states that, "Any parent or guardian having the responsibility for the care of the child must send the child to school unless exempted by law." In addition, HRS 302a-1135 provides that a parent or guardian who does not enforce the child's regular school attendance may be guilty of a petty misdemeanor. The penalty for a petty misdemeanor is a fine of up to \$1,000 (HRS 706-640) or jail time for up to thirty days (HRS 706-663). Family Court can also place a child under its jurisdiction for truancy if the child is not attending school or is not receiving the educational services required by law.

Number of Absences	Actions to be Taken
6	Counselor meets with student (if appropriate), makes phone call home, and sends home attendance letter #1.

8	Conference scheduled and attendance letter #2 sent home. If parent does not attend conference a letter is sent home regarding a plan to improve attendance.
11	Core meeting scheduled, if parent does not attend a home visit is made to share plan to improve attendance.
15	Student is considered chronically absent after missing 15 or more days over the course of a school year.
17	Student Focus Team meeting scheduled. Service plan developed with social worker. If parent does not attend, home visit is made to share service plan.
20	Attendance letter #3 sent home (possible referral to Family Court).

Early Release

Parents requesting early release for their child:

1. Send a note to your child's teacher in the morning and call the office before the expected check out time.
2. Appear in person or send a designated adult (listed on the Emergency Card) to sign child out at the office. Identification must be displayed.
3. An official Student Pass will be issued and the child will be called to the office.
4. Children will not be permitted to leave school unescorted.

CAMPUS SAFETY AND SECURITY

Parking Lot Drop off: The parking lot drop off area for all students is in the front faculty parking lot along the mauka fence.

Visitors to the School Campus: The Department of Education Safety and Security Policy requires that all visitors report to the office to sign in and receive an official School Visitor Pass. Visitors include parents, volunteers (parent and community), and off campus maintenance personnel (i.e. repairmen, construction worker).

After School Hours: Roaming and loitering on campus after school hours and on non-school days are prohibited due to safety reasons. Parents must discuss with their children the importance of going straight home from school, recognizing stranger danger, recognizing imminent danger, and knowing what to do if they are faced with trouble.

Bicycle Operation and Coaster-Wheeled Conveyances

Students must follow the JBPHH Traffic Code:

1. Bicycle riding and using coaster-wheeled conveyances are not allowed on campus at any time.
2. Bicycle riders must observe the same traffic rules required by motor vehicle operators as well as additional requirements unique to JBPHH:
3. No bicycle will be ridden on any sidewalk within the business area or on the Mokulele pedestrian overpass.
4. Bicycle riders are required to wear approved ANSI or SNELL bicycle helmets.
5. Bicycle riders are prohibited from using any crosswalk, sidewalk, or driveway.
6. Parents should discuss bike safety and the safest route to and from school.

7. Bicycle riders should park their bicycles in the bike rack located next to Building C or F. Locks are recommended.
8. The use of coaster-wheeled conveyances (defined as any form of object propelled afoot to include in-line skates, roller skates, scooter, or skateboards) is prohibited on any roadway except while crossing a street. Coaster-wheeled conveyances are not allowed on school premises.

Sports and Fitness Program

Mokulele Elementary School's Physical Fitness and Sports Intramural Program is a critical element of the Comprehensive Student Support Services (CSSS) where opportunities are offered to meet the unique needs of all of our students.

The Morning Exercise program is offered to all students from 7:20 a.m. – 7:40 a.m. with students warming up prior to participating on the field or court. Athletic shoes must be worn by all Morning Exercise program participants.

Annually, the Radford Complex Elementary Schools host three extramural sporting events. Participation is open to students in grades 5 and 6 for co-ed volleyball, basketball (boys and girls) and track. Students in grade 4 are eligible to participate in the Track Meet. The goal of these programs is to develop fundamental skills, build teamwork, demonstrate sportsmanship, and most importantly to have FUN!

The Mokulele Sports Intramurals Program is held during lunch recess to provide opportunities for healthy exercise, building friendships, and developing character.

Homework Policy

1. Homework shall be an extension or reinforcement of what is being taught in the classroom.

Lost and Found

Lost and Found is located in the School Cafeteria on the stage. Parents are advised to label all articles (clothing and supplies) belonging to their children. The labeling will facilitate finding the rightful owners when the articles are turned in. At the end of each semester, items not claimed are donated to a worthy charity.

Pass: Counselor/Health Room/Library/Office/Study

Students are required to have a Counselor, Health Room, Library, Office or Study Pass in hand when in route from classroom to other destinations on campus. A student found loitering on school campus without a designated pass will be asked to return immediately to his/her respective classroom. Repeated offenses will be addressed by the school administration.

Service Policy

Cafeteria: Students in Grades 4, 5, and 6 perform services in the cafeteria on a rotation basis. Students selected for service will be excused from class after they had an opportunity to receive class work information for the period prior to the first lunch service and will report to the School Food Services Manager for job selection. Students receive free lunches on days they serve in the cafeteria.

Office: Students in grades 5 and 6 will assist in delivering the meal account reminders when assistance is needed.

It is our belief that these sessions offer opportunities for our students to provide a valuable service to their own school community and a lesson in citizenship. School service also provides unique opportunities for our students to learn various life skills which include shared responsibility, punctuality, attention to task, clear communication, and being accountable.

You've Got Mokulele Mail (YGMM) Folder

Each Wednesday this folder will be sent home. We appreciate our parents/guardians for reading each document in the **You've Got Mokulele Mail (YGMM)** folder. There is a sheet in the YGMM folder that you must sign. The YGMM folder is a key component in keeping our families informed, so please make sure you read, sign, and return your folders the next day.

Mokulele Elementary School

Description:

Students at Mokulele Elementary School will be issued a school-owned Lenovo Chromebook and a laptop charger. We are committed to fostering safe and responsible use of technology. Parents and children need to read this document together, agree to the terms, and sign the bottom of the form.

Expectations for Responsibility and Internet Safety:

Students are held to the highest standards of ethics, responsibility, and computer/internet etiquette in communicating and collaborating with others.

All policies previously agreed to in the state TRUG (Technology Responsible Use Guidelines) must be followed. Students and parents/guardians will be held responsible for any violations that occur.

Mokulele holds students to the highest standards for the care, use, and handling of school owned equipment. Parents will be responsible for lost, damaged, or misused equipment.

Charge Structure for Chromebooks:

<u>Infraction:</u>	<u>Cost:</u>
Damage beyond repair; lost or stolen laptop (ex: screen damage)	Replacement/ Repair Value
Deep scratches, chipped plastic, or cuts to the rubberized surfaces	
Broken key(s)	
Damaged, lost or stolen power adapter	

Damages will be assessed at the current replacement/repair value as stated in TRUG form item 6G.

Games & Third-Party Applications:

NO third-party applications should be downloaded or purchased.

Students may not play non-educational games on the laptop during school hours.

Mokulele Elementary iMac, Chromebook & Laptop User Guidelines

Using the iMac, Chromebooks & Laptops:

- Only use the iMac, Chromebook and/or Laptop assigned to you. You are responsible for any loss or damages to that particular device.
- Immediately check your iMac, Chromebook and/or Laptop and report any damages.
- Use clean hands (wash your hands).
- Use all iMac, Chromebooks and or laptops with respect. Do not pound on the computer equipment, use it gently.
- Use iMac, Chromebook and/or Laptop appropriately and ethically. Only use computer programs as directed by your teacher.
- The iMac, Chromebooks and Laptops do not have a touch screen. Please refrain from touching the LCD screen with your fingers or other objects.
- Never attempt to repair or reconfigure the iMac, Chromebook and/or Laptop. Under no circumstances are you to attempt to open or tamper with the internal components of the laptop, nor should you remove any screws; doing so will render the warranty void and will result in disciplinary action.

Chromebook & Laptop Charging:

- It is the responsibility of the student to ensure their laptop is docked at the charging station at the end of the school day. Failure to do so will directly hinder the student's ability to participate in class, which could potentially impact a student's learning and performance.

Guidelines for Chromebook & Laptop:

- Laptops should only be used in settings that are appropriate for acceptable use. Cameras should NOT be used unless instructed by your teacher.
- For prolonged periods of inactivity, you should shut down before closing the lid. This will help to conserve the life and charge of the battery. Dimming the LCD brightness of your screen will also extend the battery run time. For help, consult your teacher.
- Take extreme caution with the screen. The screens are very susceptible to damage from excessive pressure or weight. In particular, avoid picking up the laptop by the screen or using excessive force when typing on your laptop.
- Always close the lid before moving and/or transporting your laptop, taking care not to close the lid on objects inside the laptop.
- When using the laptop, keep it on a flat, solid surface so that air can circulate. For example, using a laptop while it is directly on carpet can cause damage due to overheating. Take precautions when placing the Chromebook on an uneven surface.
- Students are responsible for the laptop they have been issued. Laptops that are damaged or in need of repair must be reported immediately to a teacher.
- Take care when inserting cords, cables and other removable storage devices to avoid damage to the laptop ports.
- Do not write, draw, paint or place stickers/labels on your laptop. Remember the laptops are the property of Mokulele Elementary School.
- Do not expose your laptop to extreme temperatures, direct sunlight, or ultraviolet light for extended periods of time. Extreme heat or cold may cause damage to the laptop.

- Liquids, food, gum and other debris can damage the laptop. You should avoid eating or drinking while using the laptop. DO NOT keep food, food wrappers, and/or containers of liquid (water bottle) near your Chromebook & Laptop.

Securing Your Chromebook & Laptop:

- Never leave your laptop unattended. Make sure you know where your laptop is at all times.
- Never leave your Chromebook & Laptop on the floor. All devices that are not being used should be placed on the tables or in the charging units.
- Each laptop has several identifying labels (e.g., Mokulele School serial number & assigned computer number). Under no circumstances are you to modify, remove, or destroy these labels. This will be considered property damage and appropriate consequences will follow.

Cleaning Your iMac, Chromebook and/or Laptop:

- Always disconnect computers from the power outlet before cleaning.
- Hardware maintenance of laptops will be done by the Mokulele Computer Teacher. Do not attempt to erase your hard drive.
- Students are encouraged, and will be taught how to perform simple cleaning procedures as outlined below.
- Students are encouraged to wash hands frequently before using the laptop to avoid buildup on the keyboard & touchpad. Grease and dirt can cause the cursor to jump around on the screen.
- Simple Cleaning Techniques:
 - Clean the screen with a soft, lint free cloth or use anti-static screen cleaners or wipes. Microfiber cloths work the best for the screens. *Never use liquids on the laptop screen or keyboard (e.g., Windex or other harmful sprays).
 - Clean the touchpad with a lightly dampened cloth.

iMac Lab(s):

- Do not move the iMac computer for any reason.
- Do not alter the computer in any way; this includes all settings, icons, & physical placement of the monitor.
- At the end of class, exit or (x) the program you are using.
- In the computer lab(s), do NOT turn off the computers. Do NOT touch the back of the computer or any power buttons, unless instructed by the teacher.
