

Mole Day Projects

Each group is required to complete a **Mole Day** Project. The projects will be judged on creativity and explanation of the mole concept and how it is important to chemistry. Projects will be presented on Monday, October 23. The teacher must approve your project idea and no two groups will be allowed to use the same idea per class. Below is a list of project ideas that you may use, or you may think of something on your own. On the back, you will find a rubric that will be used to grade your project. The project will count as a **test grade**, so get busy.

The Theme for this year is **Mole Are Forever**

Ideas:

Molympics

Mole Day Games

Write a Mole Day song or rap (must be displayed and performed)

Write Mole Day Greeting Cards (minimum of 10 different designs)

Create a Mole-bile

Write a Mole Day poem, story, or cartoon (must be illustrated and presented)

Make a Mole Day Flag

Make a Mole pinata or stuffed mole

Make Mole Day treats (must include mole in the name, and have a recipe conversion display)

Create a Mole Day costume

Write twenty Mole Day jokes (must be original and a display is required)

Or ANYTHING ELSE YOU CAN THINK OF!!
