

Pasco Elementary School  
is presenting...

# Science Night

## Featuring...

# Busch Gardens and MOSI!

**Date and Time: Thursday (November 14<sup>th</sup>) from 5:30 – 7:30 p.m.**

**Location: Pasco Elementary School's Multi-Purpose Room**

### THE MOST EXCITING NEWS...

You and your child will be able to participate with hands-on activities and demonstrations including: robotics, crafting water cycle bracelets, creating physical changes, participating with a hair-raising generator to investigate conductors and insulators, AND cryo-scientists will freeze, boil, condense, shrink, and crush objects before your very eyes.

### We saved the best news for last...

You will have a chance to interact and learn important information about different animals from **Busch Gardens!**

## YOU DON'T WANT TO MISS THIS OPORTUNITY!

If you are able to attend, please complete the form below.

Please complete and return the bottom portion.
