El día de mamita

Flores del campo
De mil colores
Las manos llenas
Le llevaré
A mi mamita
Hoy en su día
Con un besito se las daré.

Wild flowers growing
All bright colors
Soon my hands will be
Filled with bouquets
All for my mommy.
I'll give her flowers
And little kisses
This special day

How Sweet It Is To Be Loved By You

How sweet it is to be loved by you
How sweet it is to be loved by you
I needed the shelter of someone's arms
And there you were
I needed someone to understand my ups and downs
And there you were
With sweet love and devotion
Deeply touching my emotion
I want to stop, and thank you, mommy
I just want to stop, and thank you, mommy,
How sweet it is to be loved by you.
How sweet it is to be loved by you.
I close my eyes at night
wondering who I would be without you in my life
Everything I did was just a bore.
All the things I did, seems I've done 'em before
But you brightened up all of my days
With a love so sweet in so many ways
I want to stop, and thank you mommy
I just want to stop, and thank you mommy,
How sweet it is to be loved by you,
How sweet it is to be loved by you,
(8 meas Saxophone solo)
You were better to me than I was to myself
For me, there's you and there ain't nobody else
I want to stop, and thank you mommy
I just want to stop, and thank you mommy
Oh yes, how sweet it is to be loved by you.

How sweet it is to be loved by you.

How sweet it is to be loved by you.

How sweet it is to be loved by you.

Manah Manah by the Muppets.

"I Love Ya Ma" in the style of Manah Manah

Students will be taught in class when to sing throughout this funny and repetitious song. Students need to practice at home the timing of this song by replacing the lyrics "manah manah" with "I love ya ma". We will also be practicing the melodic lines found throughout the song.

Song for Momma

****Students will be signing to this song and will not need to sing nor memorize these words.**

You taught me everything
Everything you've given me
I'll always keep it inside
You're the driving force in my life, yeah
There isn't anything
Or anyone that I could be
And it just wouldn't feel right
If I didn't have you by my side
You were there for me to love and care for me
When skies were gray
Whenever I was down
You were always there to comfort me
And no one else can be
What you have been to me you will always be
You will always be the girl
In my life for all times

Mama, Mama you know I love you
Mama, Mama you're the queen of my heart
Your love is like tears from the stars
Mama I just want you to know lovin' you is like food to my soul
Yes it is, yes it is.

You're always there for me
Have always been around for me even when I was bad
You showed me right from my wrong
Yes you did
And you took up for me
When everyone was downin' me
You always did understand
You gave me strength to go on
There were so many times
Looking back when I was so afraid
And then you'd come to me and say to me
I can face anything
And no one else can do
What you have done for me
You'll always be, you will always be
The girl in my life

Mama, Mama you know I love you
(You know I love you, you know I love you)
Mama, Mama you're the queen of my heart
Your love is like tears from the stars
Mama I just want you to know
Lovin' you is like food to my soul
Never gonna go a day without you
Fills me up just thinkin' about you
I'll never go a day without my mama

Mama, Mama you know I love you
Mama, Mama you're the queen of my heart
Your love is like tears from the stars
Mama I just want you to know
lovin' you is like food to my soul
Lovin' you is like food to my soul, oh yeah
