First Day of School

Wednesday
September 8th, 2021

Have you heard the news? My name is Mrs. Bright and I am writing you to announce that I am going to be your new second grade teacher. Congratulations on graduating from the first grade. I am thrilled to know that you will be joining my class.

To help your child get started on their way, please review the list of school supplies students will need to bring with them (in their **bookbags**) on the first day of school. (Note: For ease of identification, please label each item with your child's first and last name.)

This year will be filled with exciting learning opportunities and the chance to make wonderful new friends. You will be reading lots of books by amazing authors, telling time, measuring, adding and subtracting two-digit numbers and multiplying by the end of the year. Second grade is an amazing year of growth!

o (No boxes please. Pouches are easier to store in student desks. Thank you for your support.)
